Report Suspicious

Hi John –

That is the District's boilerplate language for Cooperative Funding Initiative projects, and cannot be changed. Please let me know if you'd like me to schedule a call to discuss.

Thank you,
Meagan

Good morning,

Please refer to Paragraphs 12.1 and 12.2 in the attached agreement. Per the attached Resolution 06-70, the County does not indemnify other entities. Are you able to revise this language to reflect the County not providing indemnification? Please advise. Thank you.
