Megan,

Seeking your approval to proceed with Change Order #3 of the Neptune meter contract (attached staff memo) in Granicus.

This change order will increase the current contract amount by **$436,320**. The current contract **expires in August 2021**, and this increase is needed now until a new contract is in place. ***A new contract is expected to be awarded within 3-5 months.***

This item will need Barry's approval in Granicus. Will you please confirm?

Regards,

Hillary Weber

Please review. This was loaded purchasing (format)with some changes made by our staff (facts). The two things you requested have been added. Price was developed based on current usage(noted in yellow for your easy find) and we added the termination date in the Background area.(highlight does not work, it is text box).

Please review,

Alan
