** $459,514.56 of the awards to Claimants are still outstanding.

Number of pending claims still open as of 11/29/18 12 20

[1] Includes a single award to a doctor in the amount of $205,645.17 which is currently on appeal.
[2] This number is included in total number of claims paid, and the difference between number of fees paid and awards paid is because for one claim, fees were not ordered.
[3] One award was paid after PCOHR made a final demand after claimant contacted an attorney.
[4] One award was paid for less than what was awarded at hearing through a private agreement between parties.
[5] This amount is included in total amount of claims paid.
