Direction of Inquiry	Commissioner Dave Eggers - District 4 (2020 Vice Chair)
Subject	Keep the Mask Ordinance
Message	Commissioner Eggers, I am deeply concerned to hear that the County Commissioners are considering repealing the mask ordinance from June. While I am grateful that the COVID numbers in Pinellas county have improved dramatically, it is important to realize that the mask ordinance was a big part of this effort and that the underlying conditions that could lead to a resurgence have not changed at all. We wouldn't repeal mandatory seatbelt use because the mortality rate of car accidents has dropped significantly nor would we stop wastewater treatment because cases of cholera have been largely eradicated. Mandatory Mask Ordinances will not be required in perpetuity, but the pandemic is still part of our current reality and will be until there is an effective vaccine that has been distributed widely. Until then, we must remain vigilant to prevent further unnecessary illness and death. Please do the right thing and drop this silly conversation driven by politics and not science so you can work on more important issues facing our county. Sincerely, Nick Carey
