Dear Mr Eggers
I am writing you to Urge you to please vote for the wearing of masks at all indoor establishments.

This is the only measure left in place to ensure the safety of our citizens.

I have been a resident of Dunedin for 43 years, am a wife of a pinellas county school teacher, and a mother of a paramedic. I am also the caregiver for my sister who is undergoing cancer treatments, and is at high risk of covid 19. Wearing of masks indoors is the only government measure in place to keep us safe.

Until the entire country is vaccinated from this terrible virus, wearing of masks is our only protection.

Please do not contribute to an increase in positive cases and ultimately, a rise in the death count.

Please vote for this ordinance. As citizens, it is our obligation to keep each other safe. As I am my brother's keeper, it is my .... it is our obligation to help each other. Please do not contribute to a rising death toll, inspite of what other elected officials, or business people tell you. It is your job to help protect us

Thank you

Karen Eisler
