Dear Commissioner Eggers,

Please keep the mask ordinance in place!

With bars opening again and children back at school, there's potential for an upswing in cases. Help us stay safe!

I'm a healthy 63 year old living in Tarpon Springs.
Most of the county residents wearing masks has been **lifestyle game changer–**
making it possible for me and my husband to go out and about… **spend money and make money!**

We are landscape/exterior designers due to Covid 19 concerns, we took a hiatus from seeing clients for close to
four months. We are back working now and hope to keep working, but only if we feel safe.
When the pandemic hit, we didn't go anywhere from mid-March
to the beginning of July with the exception of food shopping.
Masks work!

Stay safe and
Warm Regards,
--
