Subject	possible mask requirement repeal
Message	I am absolutely OPPOSED to doing away with the mask requirement in Pinellas County. The reason our numbers have gone down so dramatically is because of the mask mandate. It would be insane to repeal the requirement as we head into flu season. I am comfortable going out in the community and spending money because masks are required. If masks are not required my family will rethink what we do and I will revert back to online shopping instead of being able to support my local businesses. Please do not let people who are too selfish to wear a mask destroy life for the rest of us. thank you
