Subject: Keep face masks
Date: Monday, September 14, 2020 8:55:54 AM

CAUTION:
This message has originated from Outside of the Organization. Do Not Click on links or open attachments unless you are expecting the correspondence from the sender and know the content is safe.

As an elderly couple, we are nearly imprisoned in our home due to our vulnerability. The only thing that keeps us relatively safe is the ability to find a few places where masks are consistent. Please do not rescind the face mask ordinance until are numbers are consistently better. At the minimum, wait to see what impact, if any, results from Labor Day.
Thank you.
Judith St. Onge RN and Barry Hedblom
