Brief Description of Organization and It's Mission (approx. 600 characters) (Required)	Palm Harbor Community Services Agency consists of the Palm Harbor Library, the East Lake Library, Palm Harbor Parks and Recreation, and East Lake recreation. The mission of PHCSA is to provide, develop, and promote educational and recreational activities that support and improve the quality of life for all residents of the greater

	Palm Harbor area.
Project Name (Required)	Outdoor Digital Road Sign
Requested Program Budget (Required)	$20,000
Community Need: Describe the problem or need to be addressed by this project. (Required)	This project will allow us to provide information to the East Lake community. Upcoming events, announcements, recreational updates, sports information, and community information are a few examples of this. Besides the informative aspect of this project it will also provide an esthetic enhancement to the complex. This would give East Lake Recreation a more professional look and attract more users to the facility.
Project Summary: Describe how the project will be fully implemented and how it will address the need or gap in the community. Identify and describe other funding sources, if any, for this project/program. (Required)	Once approved for funding the sign installation will commence. Any amount over the $20,000 will be paid out of the East Lake Recreation budget. The total project cost including permitting, the sign freight, installation, and electrical is approx. $42,000.
Program Outcomes: Describe the time-line by which the project will be implemented including short-term and long-term results. (Required)	Once approved , the project will be started as soon as possible. Short term results will be an increased awareness of community information and a more professional and esthetically pleasing complex. Long term results will be a new source of community and recreational information the residents of East Lake can count on using.
Describe how your project aligns with the County's Strategic Plan: (Required)	It would deliver another avenue to provide service to the community through information presented on the digital sign that can address any and all of the strategic goals. Recreation and sport provide and promote a healthy lifestyle which is essential to any community.
