Message	The thought of you all stop in the math ordinance makes me sick to my stomach and makes me terrified. You just open the bars you just opened the barn did I say it again you just opened the bars with the sheriff that says I'm not taking these people out. That's the owners responsibility you've got to be kidding me you just open the schools they're predicting the worst impact we've had so far of this virus and you are considering taking away the only protection that we have because these lunatics are pressuring you and maybe somebody won't get voted for? Please please please save lives and do not succumb to these lunatics pressure
