PLEASE do NOT rescind our indoor mask mandate. If one wants to talk about infringement of our personal rights, what about seat-belt laws or speed limit laws?? They DEFINITELY affect our personal freedoms. However, they are working to decrease accident casualties so they will stay on the books.
Social distancing & indoor mask wearing are our only methods to decrease our chances of giving & getting covid 19. They are indeed working; our county-wide numbers are decreasing.
DO NOT GET RID OF OUR ONLY WAY TO DECREASE THE RISK OF INFECTION.
Sincerely,
Richard Blanchard, MD
