Subject: Mask ordinance
Date: Sunday, September 13, 2020 1:03:45 PM

CAUTION:
This message has originated from Outside of the Organization. Do Not Click on links or open attachments unless you are expecting the correspondence from the sender and know the content is safe.

A political opinion may differ from a scientific opinion and as at risk citizens we respectfully request that you keep the ordinance in place. Our lives are at stake even though we are seldom out in public. One super spreader can infect many, not by intent but by arrogance. Many countries have had to backtrack on quarantine because they let up too soon. Please do the right thing for the people whom you represent.
Thank you,
Martha Margolis
