Message *	Good Afternoon Thank you for the opportunity to serve on the Pinellas County Parks and Conservation Resources Advisory Board. My participation on the Board has certainly broadened my perspective on our county's goals and activities related to our parks and environmental lands. I was appointed in September 2016 for a partial term and look forward to the opportunity to continue to serve on the board. With my career history, science/technical background, regulatory and policy experience with local land use, environmental regulations and comprehensive plans, and current focus on environmental sustainability and resource management, I feel that I can continue to be a positive addition to the Park Advisory Board. I have applied for a reappointment and I look forward to the

	opportunity to continue to serve the Board with the goal of improving the parks and environmental lands of Pinellas County and ensuring the sustainability of essential services within the county. Thank you for your consideration. Sincerely, Manitia Moultrie 727-403-2202
