Hello!

I am writing to BEG you to PLEASE VOTE to continue the ordinance requiring masks in public places here in Pinellas County!
Coronavirus is NOT gone!
Children are starting back to school!
Bars and breweries are re-opening!
The Governor is hyping tourism and that its "safe" to come back to Florida!
The chances of spread are higher than ever!
We MUST continue to protect one another against this Pandemic that has taken over 200,000 American lives.
PLEASE I implore you to vote to continue requiring masks in public places in Pinellas County. As we re-open we need to be more cautious than ever against rapid spread.
Thank you, in advance, for caring for the people who have placed their trust in you,

Linda Zubek
Concerned citizen of
Pinellas County
