Your Stand on the Issue Undecided

Comments
The BCC needs to implement an expedient solution to the nearly completed Crosswinds Bridge Project: it has gone on long enough! Finish the sidewalks on either end of the bridge, dredge the channel, and clean up the mess. We're almost there! I am only undecided on the best way to accomplish these last details, not about the need to get it done ASAP. I look forward to learning about your decisive plan. Thank you for your service.
