RE: Request for Letter of No Objection to Petition to Release a Portion of Palmetto Avenue

Dear Jane:

As you know our firm provides City Attorney legal services to the City of Safety Harbor. The City has forwarded us your correspondence dated May 25, 2021 requesting a letter of no objection to be sent to Pinellas County regarding a petition to release a portion of partially improved right-of-way known as Palmetto Avenue.

It is our understanding that no petition has been filed to date. Therefore, this letter is based on the information included in you May 25th correspondence.

The City has advised us that it would be unable to issue a letter of no objection for the following reasons:

First, vacation or release of the subject right-of-way would create a “need for easements for public utilities...to be retained or relocated.” It is the City’s understanding that the City of St. Petersburg has a public utility easement that runs through the subject right-of-way. Further, the City’s utilities are adjacent to the subject right-of-way. *See* § 154-272(a)(1), Pinellas County Code.

Second, vacation or release of the subject right-of-way “would cause a substantial detrimental effect upon or substantially impair or deny access to any lot of record” because it could prohibit future development of nearby vacant parcels, including eliminating options regarding utility service. *See* § 154-272(a)(2), Pinellas County Code.

Jane Graham, Esq.
June 16, 2021
Page 2 of 2

Third, vacation or release of the subject right-of-way “would adversely impact the existing roadway network” as it would create dead-end right of way. *See* § 154-272(a)(3), Pinellas County Code.

Finally, “there is a present or future need for the right-of-way” here, as the subject right-of-way is scheduled to be transferred from Pinellas County to the City for municipal purposes. *See* § 154-272(a)(4), Pinellas County Code. This is scheduled to be transferred because there is “viable use” of the subject right-of-way now and in the future. *See* § 154-272(c), Pinellas County Code.
