**Subject:**

Fiscal Year 2023 Elite Event funding recommendations from the Tourist Development Council.

**Recommended Action:**

Approval of the Tourist Development Council's (TDC) funding recommendations for Fiscal Year (FY) 2023 Elite Events.

- This program provides funding for eligible major events that meet the criteria in the Elite Event Funding Program Guidelines, which requires Category 1-3 events to generate a large number of attendees or substantial room nights in the County, Category 4 events to generate at least 7,500 attendees and Category 5 events to be a new event to Pinellas.
- This is the first-year staff evaluated Elite Event applications and submitted recommendations for funding to the TDC.
- TDC unanimously approved staff's recommendations to fund 30 FY23 Elite Events for a cumulative total not to exceed \$1,385,000.00. Staff will negotiate final funding amounts for each event to ensure a return on investment.
- As funding agreements are negotiated, consistent with Board approval and Board Delegated Authority, the County Administrator or the Director of Administrative Services will execute the agreements and they will appear as Delegated items on the Board meeting agenda.

**Strategic Plan:**

Foster Continual Economic Growth and Vitality

4.6 Support a vibrant community with recreation, arts, and culture to attract residents and visitors

**Summary:**

With Board approval, the Convention and Visitors Bureau (CVB) staff will administer the Elite Event Funding Program, which provides funding to qualified, high -profile events that meet the minimum criteria as set out in the Guidelines and that provide media and/or marketing exposure for the County. CVB staff will negotiate the terms and final funding amounts of each agreement for increased tourism promotional benefits, in accordance with the Guidelines.

**Background Information:**

The current Guidelines were adopted by the Board on March 8, 2022. One of the major changes to the Guidelines included shifting evaluation of the applications from the TDC to staff. The Guidelines require Category 1 events to generate at least 50,000 attendees or 15,000 room nights, Category 2 events at least 15,000 attendees or 4,500 room nights, Category 3 events, at least 10,000 attendees or 3,000 room nights and Category 4 events to generate at least 7,500 attendees. Category 5 events are required to be new events to the County in order to qualify for the program.

On June 21, 2022, during the full regular TDC meeting, CVB staff presented their recommendations for the FY23 Elite Event Funding Program. Of the 35 applications received, two were deemed

ineligible, Clearwater Sangria Festival and Spring Beach Bash, as they did not meet the minimum criteria for room nights or attendance and were not new events. Additionally, the MLK Dream Big Parade, Reggae Rise Up Florida, and Holiday Putt Putt on the Pier did not receive the minimum score of 70 to be considered for funding.

TDC members discussed staff's recommendations and were concerned the MLK Parade had not received the minimum scoring. Subsequently, the TDC asked the CVB to explore other ways this worthwhile event could be funded. After further discussion and consideration, the TDC members approved the recommendations from staff as set forth below, including the maximum (or "up to") funding amounts, by a vote of 9-0. Council member Williams abstained from voting on the Valspar PGA Championship due to a voting conflict. Mayor Welch and Council members Prather and Rodriguez were not in attendance.

On July 18, 2022, the CVB met with MLK organizers from the Advantage Village Academy, Inc., (AVA) and a representative from the City of St. Petersburg. During the meeting the CVB discussed how their Elite Event application was scored, funding options outside the Elite Event Program and sponsorship opportunities. Future meetings are planned and will include among other things the valuation of AVA's sponsorship packages, discussion of marketing ideas to grow the event, and opportunities for increasing the County's exposure in other markets.

## I. Background & Overview

---

Pinellas County collects a six-percent Tourist Development Tax ("Bed Tax") on all overnight tourism accommodations in the County. This tax is levied on customers of hotels, motels, condominiums, campgrounds, apartments and private homes that rent accommodations for less than six months in duration. The Pinellas County Board of County Commissioners ("BCC"), with input from the Tourist Development Council ("TDC"), has developed a Tourist Development Plan ("Plan") to guide how these proceeds are spent. Bed Taxes are spent, in large part, on marketing Pinellas County as a destination for leisure, business, conference, sports, film production, and other tourist travel. In support of these tourism marketing efforts, the Plan authorizes the expenditure of up to \$2,000,000 annually for: (i) marketing special events and programs; (ii) providing promotional or operating support for exhibits or programs provided by museums owned and operated by not-for-profit organizations and open to the public; (iii) providing promotional support for zoological parks that are owned and operated by not-for-profit organizations and open to the public; and (iv) event and program sponsorships.

One of the marketing programs administrated by Visit St. Petersburg/Clearwater ("VSPC") is the **Elite Event Funding Program** for events meeting the criteria to receive funding from TDT funds. The genesis of the Elite Event program was called "New Product" funding, which then became "Special Events" funding and is now operated under the current name. Prior to the New Products program, events were funded on an ad hoc basis. The New Product (now Elite Event) program was created with the intent to provide a more systematic means for funding applications, review and recommendations for funding. The goal moving forward is to continue the program to allow maximum 1) **consistency**; 2) **return on investment and sustainability of the individual events and the overall program**; and 3) **transparency**.

**The County's fiscal year begins on October 1 and ends on September 30 of the following year. Therefore, applications for Elite Event funding are for annual events that are held within the next fiscal year after the application submittal date between October 1 and the following September 30. However, events that are annually held during either the last week of September or the first week of October are eligible to apply for funding for two annual events in those instances when both annual events fall within the same fiscal year.**

### **Subject:**

Amendment to the Fiscal Year 2022 funding recommendations from the Tourist Development Council, including a waiver of the Elite Event Funding Program Guidelines' evaluation committee requirements.

### **Recommended Action:**

Approval of an amendment to the Tourist Development Council's (TDC) funding recommendations for Fiscal Year (FY) 2022 Elite Events, including a waiver of the Elite Event Funding Program Guidelines' (Guidelines) evaluation committee requirements for St. Pete BikeFest.

- This program provides funding for eligible major events that meet the criteria in the Guidelines, which requires Category 1-3 events to generate a large number of event attendees and substantial room nights in the County, and requires Cultural Heritage events (Category 4), to generate a large number of attendees.
- On July 13, 2021, the Board of County Commissioners (Board) approved 18 - FY22 Elite Events for a cumulative total not exceeding \$1 million.
- During the August 18, 2021, TDC meeting, the TDC approved for the Board to consider a waiver of the Guidelines to bypass committee review and evaluation and move St. Pete BikeFest from a Category 3 funding level to Category 2.
- Approval of this amendment will increase the amount of funding for BikeFest from \$25,000.00 to an amount not exceeding \$75,000.00.
- As Elite Event funding agreements are negotiated, consistent with Board approval and Board delegated authority, the County Administrator or Purchasing Director will execute the agreements and they will appear as delegated items on a Board meeting agenda.

### **Strategic Plan:**

Foster Continual Economic Growth and Vitality

4.6 Support a vibrant community with recreation, arts, and culture to attract residents and visitors

### **Summary:**

With Board approval, the Convention and Visitors Bureau (CVB) staff will proceed to negotiate the terms and final funding for St. Pete BikeFest as a Category 2 Elite Event, eligible for up-to \$75,000.00 in funding, in accordance with the Guidelines. This event is scheduled to be held at the Orange County Choppers Road House & Museum on November 18-21, 2021.

Approval of this amendment will increase the FY22 Elite Event Funding by \$50,000.00 to a new cumulative total of \$1,050,000.00.

### **Background Information:**

On July 21, 2021, at the regular TDC meeting and subsequent to the Board's July 13, 2021, approval

of FY22 Elite Events, TDC council member Henderson initiated a discussion on moving BikeFest from Category 3 to the Category 2 funding level for FY22. The TDC deferred the discussion until the August TDC meeting to allow time for the BikeFest event organizer to be present. During the TDC meeting on August 18, 2021, the TDC members discussed the request and questioned the event organizer as to why BikeFest had not been submitted as a Category 2 event during the FY22 application period. The event organizer relayed that at the time the application was due, he had no knowledge of the number of room nights from the host hotel that were generated by the FY20 event nor did he have the results from the CVB's Economic Impact Study that had been performed on the event. The FY21 BikeFest was cancelled due to the pandemic, which is why the event would need to rely on FY20 event data for the FY22 Elite Event application submission. After discussion and consideration, the TDC voted 8-0 in favor of recommending the Board consider a waiver of the Guidelines to bypass the requirement for committee review and evaluation, since not all Elite Event committee members were present, and approved St. Pete BikeFest as a Category 2 event, eligible for funding in an amount up-to \$75,000.00.

The Guidelines require Category 2 events generate at least 20,000 attendees and 10,000 room nights. According to the CVB's Economic Impact Study performed by Destination Analysts for the FY20 event, BikeFest resulted in 25,926 unique attendees and 18,228 room nights.

The current Guidelines were approved by the Board on March 10, 2020. The TDC is scheduled to review the Guidelines on November 17, 2021, following the regular TDC meeting. If revisions are recommended and approved, they will be brought before the Board for final approval.

**Fiscal Impact:**

\$25,000.00 Current approved funding for BikeFest

\$50,000.00 Increased funding to move BikeFest to Category 2

\$75,000.00 Revised maximum funding amount for FY22 BikeFest

Funding to support Elite Events is provided through the CVB's Annual Operating Budget. The source of funding is the Tourist Development Tax Fund.

### **Subject:**

Fiscal Year 2022 Elite Event funding recommendations from the Tourist Development Council, including a waiver of the Elite Event Funding Program Guidelines scoring requirements.

### **Recommended Action:**

Approval of the Tourist Development Council's (TDC) funding recommendations for Fiscal Year 2022 Elite Events, including a waiver of the Elite Event Funding Program Guidelines (Guidelines) scoring requirements as to the Localtopia event.

- This program provides funding for eligible major events that meet the criteria in the Guidelines, which requires Category 1-3 events to generate a large number of event attendees and substantial room nights in the County, and requires Cultural Heritage events (Category 4), to generate a large number of attendees.
- There are 18 Elite Events recommended by the TDC to be funded for a cumulative total not exceeding \$1 million. Staff will negotiate final funding amounts for each event agreement to ensure a return on investment.
- The TDC approved for the Board of County Commissioners (Board) to consider a waiver of the Guidelines as to the minimum scoring criteria for Localtopia.
- As funding agreements are negotiated, consistent with Board approval and Board Delegated Authority, the County Administrator will execute the agreements and they will appear as Non-Procurement Delegated items on the Board meeting agenda.

### **Strategic Plan:**

Foster Continual Economic Growth and Vitality

4.6 Support a vibrant community with recreation, arts, and culture to attract residents and visitors

### **Summary:**

With Board approval, the Convention and Visitors Bureau (CVB) staff will administer the Elite Event Funding Program which provides funding to qualified, high-profile events that meet the minimum criteria for room night generation and/or attendance, as well as media and/or marketing exposure for the County. The CVB will negotiate the terms and final funding amounts of each agreement for increased tourism promotional benefits, in accordance with the Guidelines.

### **Background Information:**

The current Guidelines were approved by the Board on March 10, 2020. This fall, the TDC is scheduled to meet for a review of the Guidelines. If changes are recommended, the revised Guidelines will be brought before the Board for final approval.

The Guidelines require Category 1 events to generate at least 50,000 unique attendees and at least 25,000 room nights, Category 2 events at least 20,000 attendees and 10,000 room nights, Category 3 events, at least 10,000 attendees and 5,000 room nights. However, Category 4 events have a

minimum of at least 20,000 attendees and no room night requirement.

On June 11, 2021, the TDC's Elite Event Committee (Committee) met to evaluate and score those applications, which had been reviewed by staff and determined eligible for consideration. Those scores and funding considerations, as set forth below, went to the full TDC for their consideration. Council member Williams abstained from voting on the Valspar PGA Championship due to a voting conflict.

On June 23, 2021, during the full regular TDC meeting, the TDC members discussed the St. Pete Run Fest, which the Committee had deemed ineligible for funding, and Localtopia, which had not received the minimum scoring criteria to be considered for funding. After discussion and consideration, the TDC voted 3-5 against allowing the St. Pete Run Fest to be considered for funding based on the determination that the event did not meet the definition of a "cultural heritage event" per the Guidelines. Additionally, the TDC voted 7-1 in favor of recommending the Board consider a waiver of the Guidelines, as to the minimum scoring criteria for Localtopia. The TDC further approved the recommendations of the Elite Event Committee, including the following maximum (or "up to") funding amounts, by a vote of 8-0. Council member Commissioner Pletcher was not present for the vote, and Council members Henderson and Mayor Hibbard were not in attendance.

## I. Background & Overview

---

Pinellas County collects a six-percent Tourist Development Tax ("Bed Tax") on all overnight tourism accommodations in the County. This tax is levied on customers of hotels, motels, condominiums, campgrounds, apartments and private homes that rent accommodations for less than six months in duration. The Pinellas County Board of County Commissioners ("BCC") has developed a Tourist Development Plan ("Plan") to guide how these proceeds are spent. Bed Taxes are spent, in large part, on marketing Pinellas County as a destination for leisure, business, conference, sports, film production, and other tourist travel. In support of these tourism marketing efforts, the Plan authorizes the expenditure of up to \$2,000,000 annually for: (i) marketing special events and programs; (ii) providing promotional or operating support for exhibits or programs provided by museums owned and operated by not-for-profit organizations and open to the public; (iii) providing promotional support for zoological parks that are owned and operated by not-for-profit organizations and open to the public; and (iv) event and program sponsorships. The Pinellas County Tourist Development Council ("TDC") was established to make recommendations on how best to spend Bed Tax proceeds, including proposing an annual budget and funding for marketing and promotion activities related to special events.

One of the marketing programs administrated by Visit St. Petersburg/Clearwater ("VSPC") on behalf of the TDC is the **Elite Event Funding Program** for major events meeting the criteria to receive funding from TDT funds. The genesis of the Elite Event program was called "New Product" funding, which then became "Special Events" funding and is now operated under the current name. Prior to the New Products program, events were funded on an ad hoc basis. The New Product (now Elite Event) program was created with the intent to provide a more systematic means for funding applications, review and recommendations for funding. The goal moving forward is to continue the program to allow maximum 1) **consistency**; 2) **return on investment and sustainability of the individual events and the overall program**; and 3) **transparency**.

Examples of events that have received funding in the past include the Clearwater Jazz Holiday, Firestone Grand Prix of St. Petersburg, Outback Bowl, St. Petersburg Bowl, Tampa Bay Rays, Valspar PGA Golf Tournament, Clearwater Super Boat National Championship, and the Rock 'n' Roll Half Marathon of St. Petersburg. Many of these events either generated or are projected to generate significant attendance and/or room nights, although not necessarily at the level of traditional Elite Events.

**The County's fiscal year begins on October 1 and ends on September 30 of the following year. Therefore, applications for Elite Event funding are for annual events that are held within the next fiscal year after the application submittal date between October 1 and the following September 30. However, events that are annually held during either the last week of September or the first week of October are eligible to apply for funding for two annual events in those instances when both annual events fall within the same fiscal year.**

## **FINANCE UPDATES**

### Revenues

Mr. Abernathy referred to a report and presented an update of revenues and projections for Fiscal Year (FY) 2021 and FY 2022 and indicated that Tourist Development Tax revenue is projected at \$63.1 million in the budget request; and that operating and capital reserves are \$41 million and \$40.7 million, respectively. He noted that the one-time use of \$4.4 million from reserves and used for additional marketing expenses in the current budget year will be repaid in FY 2022; and that operating reserves will be more than adequate moving forward.

In response to a query by Mr. Prather, Mr. Abernathy indicated that the budget will have a \$61.2 million fund balance beginning FY 2022.

### Expenses

Mr. Hayes referred to a document titled *Financial Statement for May 2021* and discussed the items included under Personal Services, Operational Expenses, and Promotional Expenses, noting that the statement reflects what has been paid to date; and that certain payment data is often delayed up to three months, particularly in relation to advertising.

Referring to a document titled *Finance Report – May 2021*, Mr. Hayes explained that the report captures expenses that are still in progress but have not yet been paid; and that it includes an adjusted budget indicating a more accurate account of the amount of funds

remaining in the current budget; whereupon, he discussed several categories reflected in the document.

In response to queries by the members, Mr. Hayes stated that advertising expenses would increase in July to boost fall travel; that VSPC has several open positions; and that tourism is increasing to reach pre-pandemic levels, and discussion ensued.

## **DISCUSSION ITEMS**

### **FY 2022 Elite Events Recommendations**

Mr. Ramsberger referred to a document titled *FY22 Elite Events Funding Program TDC Committee Review, June 11, 2021*, listing the elite events, scoring, and funding amounts recommended by the Elite Events Funding Committee. He related that the following three events did not qualify for funding:

1. Books at the Beach Convention – the application did not meet requirements.
2. Localtopia, “A Community Celebration of All Things Local” – received a score below the recommended guidelines for consideration.
3. St Pete Run Fest – did not meet the “cultural heritage” definition of the criteria.

### **LOCALTOPIA**

Mayor Kriseman stated that Localtopia’s attendance has grown each year; that City staff has to close certain streets during the event as it has outgrown its assigned location; and that the TDC had a similar discussion last year as to what qualifies an event for funding; whereupon, Ms. Rodriguez stated that she values the event and its purpose and offered to adjust her scoring of the application.

Discussion ensued regarding the definition and scoring of cultural events. Mr. Prather stated that Localtopia certainly celebrates the cultural diversity of local businesses within St. Petersburg. Mayor Bujalski indicated that approving the event would open the door to other similar events throughout Pinellas County, and discussion ensued.

Responding to a query by Mayor Kriseman, Attorney Zas stated that allowing an application to be rescored would be inappropriate and recommended that the Council ask the BCC to waive the score requirement and approve the application as presented.

Mayor Kriseman moved, seconded by Mr. Kimball, that the Elite Events list as recommended by the Funding Committee include a request to waive the score

requirement for Localtopia, and be amended to include the event for approved funding. Following discussion, Chair Eggers called for the vote and the motion carried 7 to 1, with Mayor Bujalski dissenting.

## ST PETE RUN FEST

Mayor Kriseman stated that the St Pete Run Fest should be considered for funding as it meets the definition of “an elite event that recognizes and celebrates community history and identity bonds to the past, present, future, and/or values and traditions that attract tourists.” He noted that the event also meets the definition of an elite event; and that the event focuses on wellness which is something the City promotes through the Foundation for a Healthy St. Petersburg; whereupon, he asked the members to find that the event qualifies for the requested funding based on the current language of the program.

Attorney Zas indicated that should the members wish to include this event, the first threshold for members to determine is whether the event meets the category definition; and that the Elite Events Funding Committee would then be asked to score the event and determine if it reaches the required 700 points.

Mayor Bujalski related that the Committee excluded this event due to it not meeting the definition of “cultural heritage”; and that staff had stated that the event was to receive a portion of funding via a separate mechanism through VSPC’s other programs, and discussion ensued.

Mayor Kriseman moved, seconded by Mr. Williams, that the Council find the St Pete Run Fest meets the category definition.

In response to queries by the members, Mr. Ramsberger explained that prior guidelines prohibiting an event from obtaining funding elsewhere were removed several years ago. Mr. Prather noted that he is in favor of both Localtopia and the St Pete Run Fest; and that there is money remaining in the budget to fund both events. Mayor Bujalski suggested that the event should not be approved at this time; and that the TDC should revisit the Elite Events guidelines, definitions, and categories in the fall.

Following further discussion and upon call for the vote, the motion failed by a vote of 3 to 5, with Messrs. Eggers and Kimball, Mayor Bujalski, and Mses. Moore, and Rodriguez dissenting.

Upon call by Chair Eggers, Mayor Bujalski moved, seconded by Mr. Williams and carried unanimously, that the amended list to include Localtopia as stated be the final recommendation of the TDC to the BCC for approval.

## **DEPARTMENT UPDATES**

### Department Reports

Mr. Hayes related that staff and agency partners are preparing a 12-month strategic and tactical plan; and that the plan will be presented in two parts, in September and January.

Mr. Hayes concluded by discussion the ongoing and collaborative communication between VSPC and all of its partners, and brief discussion ensued.

*Melinda Pletcher arrived at 10:20 A.M.*

### Red Tide Update

Mr. Hayes noted that they are working closely with county staff to keep residents and visitors informed as to where Red Tide may be located each day; and that it has not yet hindered visitor attendance.

Responding to queries by the members, Mr. Hayes related continuous updates are located on the county website to include the location presence of Red Tide and the associated level of respiratory risk. Mr. Bridges indicated that current Red Tide levels are not nearly as high as they were in 2018, and discussion ensued.

### Strategic Plan Update

Mr. Hayes encouraged members to schedule a one-on-one meeting with HCP Associates regarding the strategic plan; and that the meeting is exceptionally critical for members holding multiple roles.

### Key Destination Metrics

Mr. Hayes referred to a PowerPoint presentation titled *Tourism Economic Snapshot, June 2021 TDC meeting* and reviewed the data for the month of April year-to-date, including

occupancy, supply and demand, tourist development tax year-to-date and a five-year comparison, and destination origin market arrivals outside of Florida. He clarified that all key destination metrics for 2021 were compared to 2019 rather than 2020 due to the reduction in tourism as a result of the pandemic.

In response to queries by members, Mr. Bridges indicated that he will add the in-Florida market breakdown of occupancy to the report; and that the new website will launch the third week of July.

### **BOARD MEMBER COMMENTS/ DISCUSSION**

Chair Eggers indicated that members should consider their location preference for TDC meetings prior to the July 17 meeting, brief discussion ensued.

Mr. Williams related that the event could be scored at face value and then discussed further at the TDC meeting. Ms. Pletcher indicated that she believes the event will be difficult to score in this category, and Mayor Bujalski concurred; whereupon, a motion was made by Ms. Pletcher, and seconded by Mayor Bujalski, that the St Pete Run Fest would not qualify as a cultural event. **Agenda Date:** 9/10/2020

---

### **Subject:**

Fiscal Year 2021 Elite Event funding recommendations from the Tourist Development Council, including a waiver of the Elite Event Funding Program Guidelines scoring requirements.

### **Recommended Action:**

Approval of the Tourist Development Council's (TDC) funding recommendations for Fiscal Year 2021 Elite Events, including a waiver of the Elite Event Funding Program Guidelines (Guidelines) scoring requirements as to the Localtopia event.

- This program provides funding for eligible major events that meet the criteria in the Guidelines, which requires Category 1-3 events to generate a large number of event attendees and substantial room nights in the County, and requires Cultural Heritage events (Category 4), to generate a large number of attendees.
- There are sixteen Elite Events recommended by the TDC to be funded for a cumulative total not exceeding \$1 million dollars. Staff will negotiate final funding amounts for each event agreement to ensure a return on investment.
- The TDC approved for the Board of County Commissioners (Board) to consider a waiver of the Guidelines as to the minimum scoring criteria for Localtopia.
- As funding agreements are negotiated, consistent with Board approval and Board Delegated Authority, the County Administrator will execute the agreements and they will appear as Non-Procurement Delegated items on the Board meeting agenda.

### **Strategic Plan:**

Foster Continual Economic Growth and Vitality

4.6 Support a vibrant community with recreation, arts, and culture to attract residents and visitors

### **Summary:**

With Board approval, the Convention and Visitors Bureau (CVB) staff will administer the Elite Event Funding Program which provides funding to qualified, high-profile events that meet the minimum criteria for room night generation and/or attendance, as well as media and/or marketing exposure for the County. The CVB will negotiate the terms and final funding amounts of each agreement for increased tourism promotional benefits in accordance with the Guidelines.

### **Background Information:**

On March 10, 2020, the Board approved revisions to the Guidelines to allow events that apply for and receive sponsorship funding to use that funding toward event operating expenses, which was not previously allowed.

The Guidelines require Category 1 events to generate at least 50,000 unique attendees and at least 25,000 room nights, Category 2 events at least 20,000 attendees and 10,000 room nights, Category 3 events, at least 10,000 attendees and 5,000 room nights. However, Category 4 events have a

minimum of at least 20,000 attendees and no room night requirement.

On August 7, 2020, the TDC's Elite Event Committee met virtually to evaluate and score those applications, which had been reviewed by staff and determined eligible for consideration. Those scores and funding considerations, as set forth below, went to the full TDC for their consideration.

On August 19, 2020, during the full regular TDC meeting, the TDC members discussed and considered a request from the Localtopia applicant who did not receive the minimum scoring requirements to advance to consideration. After discussion and consideration, the TDC approved for the Board to consider a waiver of the Guidelines as to the minimum scoring criteria for Localtopia. The TDC further approved the additional recommendations of the Elite Event Committee including the following maximum (or "up to") funding amounts. Council member Williams abstained from voting due to a voting conflict, and Council member Henderson was not in attendance.

## I. Background & Overview

---

Pinellas County collects a six-percent Tourist Development Tax ("Bed Tax") on all overnight tourism accommodations in the County. This tax is levied on customers of hotels, motels, condominiums, campgrounds, apartments and private homes that rent accommodations for less than six months in duration. The Pinellas County Board of County Commissioners ("BCC") has developed a Tourist Development Plan ("Plan") to guide how these proceeds are spent. Bed Taxes are spent, in large part, on marketing Pinellas County as a destination for leisure, business, conference, sports, film production, and other tourist travel. In support of these tourism marketing efforts, the Plan authorizes the expenditure of up to \$2,000,000 annually for: (i) marketing special events and programs; (ii) providing promotional or operating support for exhibits or programs provided by museums owned and operated by not-for-profit organizations and open to the public; (iii) providing promotional support for zoological parks that are owned and operated by not-for-profit organizations and open to the public; and (iv) event and program sponsorships. The Pinellas County Tourist Development Council ("TDC") was established to make recommendations on how best to spend Bed Tax proceeds, including proposing an annual budget and funding for marketing and promotion activities related to special events.

One of the marketing programs administrated by Visit St. Petersburg/Clearwater ("VSPC") on behalf of the TDC is the **Elite Event Funding Program** for major events meeting the criteria to receive funding from TDT funds. The genesis of the Elite Event program was called "New Product" funding, which then became "Special Events" funding and is now operated under the current name. Prior to the New Products program, events were funded on an ad hoc basis. The New Product (now Elite Event) program was created with the intent to provide a more systematic means for funding applications, review and recommendations for funding. The goal moving forward is to continue the program to allow maximum 1) **consistency**; 2) **return on investment and sustainability of the individual events and the overall program**; and 3) **transparency**.

Examples of events that have received funding in the past include the Clearwater Jazz Holiday, Firestone Grand Prix of St. Petersburg, Outback Bowl, St. Petersburg Bowl, Tampa Bay Rays, Valspar PGA Golf Tournament, Clearwater Super Boat National Championship, and the Rock 'n' Roll Half Marathon of St. Petersburg. Many of these events either generated or are projected to generate significant attendance and/or room nights, although not necessarily at the level of traditional Elite Events.

**The County's fiscal year begins on October 1 and ends on September 30 of the following year. Therefore, applications for Elite Event funding are for annual events that are held within the next fiscal year after the application submittal date between October 1 and the following September 30. However, events that are annually held during either the last week of September or the first week of October are eligible to apply for funding for two annual events in those instances when both annual events fall within the same fiscal year.**

Keep Saint Petersburg Local Executive Director Olga Bof stated that Localtopia, an applicant for the Fiscal Year 2021 Elite Event Funding Program, should receive the requested funding; whereupon, she characterized Localtopia as the largest community celebration of all things local, showcasing over 250 of St. Petersburg’s favorite independent businesses and community

organizations, and discussed the event's benefits to the community, its awards, popularity, and economic impact.

## SUBCOMMITTEE REPORTS

### Finance Subcommittee

Mr. Abernathy referred to a report titled *Visit St. Pete Clearwater FY 2020 Budget July 2020* and indicated that it shows revenue collected through the month of May; that an additional \$4.3 million was collected in June; and that a total of \$38.3 million was collected through June, indicating that while that is approximately \$9.7 million below the revenue expected to be collected under normal circumstances, it is better than the updated projection that was made taking into consideration the COVID-19 impact on tourism. Responding to query by Mr. Prather, Mr. Abernathy provided further comparative information relating to pre- and post-COVID-19 revenue forecasts for the current fiscal year.

Mr. Hayes referred to the report and discussed the items included under Personal Services, Operational Expenses, and Promotional Expenses, noting that savings achieved in each category will help offset the drop in revenue; whereupon, he pointed out that the expense associated with Chambers Visitor Services Support was kept at almost the full amount.

## FISCAL YEAR 21 ELITE EVENT FUNDING PROGRAM

Mr. Ramsberger referred to a document titled *FY21 Elite Event Funding Program TDC Committee Review 8-7-2020*, listing the elite events, scoring, and funding amounts recommended by the Elite Event Funding Subcommittee and related that the Enchant St. Petersburg event has been cancelled; that Localtopia did not obtain the required average score of 700; and that the St. Pete Run Fest and Martin Luther King Jr. Culture & Arts Festival events were not scored due to ineligibility. He indicated that the total "up to" funding recommendation by the subcommittee is \$975,000; and that upon approval by the TDC, it will be forwarded for consideration to the Board of County Commissioners (BCC); whereupon, Mayor Kennedy moved that the recommendation be approved.

Mayor Kriseman discussed the impact of Localtopia on the local business community, the City of St. Petersburg, and the county, inquiring whether the event could be funded in spite of not achieving the scoring threshold, and Mr. Ramsberger and Attorney Zas agreed that the Elite Event Funding Guidelines do not prevent the TDC from making a recommendation to include it in the

August 19, 2020

program. Attorney Zas suggested that if the Council agrees to approve Localtopia for the funding request in the amount of up to \$25,000, the recommendation to the BCC should include a waiver of obtaining the 700 scoring threshold during the Subcommittee review. Mayor Kriseman made a motion to fund the event; whereupon, Mayor Kennedy withdrew her motion, and discussion ensued.

Responding to query by Mayor Hibbard, Attorney Zas indicated that being a member of the Pelican Golf Club does not present a conflict of interest with respect to the Women's Championship event.

Responding to queries by Mayor Bujalski, Mr. Ramsberger stated that Localtopia was considered in the category of elite events that does not have a room night minimum requirement; that it is the only event that did not qualify for funding on the basis of scoring; and that there was not a particular concern with the event; whereupon, Mayor Bujalski inquired about the possibility of adding a temporary category to the program, allowing other events supporting local businesses to apply for funding, noting that many businesses are financially suffering due to COVID-19. Attorney Zas indicated that in order to include such a category, the guidelines would need to be amended. Mr. Ramsberger pointed out that funding of Localtopia would bring the total funding amount up to the maximum of \$1 million allocated for the program, and Chair Gerard commented that she would not be in support of creating a new category for local events, as the program is intended to attract tourism.

During further discussion, Ms. Rodriguez shared that as a member of the Subcommittee, she gave a lower score to Localtopia based on the room nights factor; and that she would like to add 150 points to it. Attorney Zas advised that the correction would be appropriate, as the score was clearly based on an incorrect interpretation of category requirements; whereupon, Ms. Rodriguez requested that her score be modified by adding 150 points, and Chair Gerard indicated that the additional points would not be enough to bring Localtopia up to the 700 score.

Mr. Kimball moved, seconded by Mayor Kennedy, that the elite events list recommended by the subcommittee be amended to include Localtopia.

Mr. Williams related that he would abstain from voting on the matter due to a conflict of interest with respect to the Valspar Championship event, and a Memorandum of Voting Conflict has been submitted and made a part of the record in accordance with the provisions of the Standards of Conduct law.

Upon call for the vote, the motion carried 10 to 0, with Mr. Williams abstaining.

August 19, 2020

Mayor Kennedy moved, seconded by Mr. Prather, that the amended elite events list be recommended to the BCC for approval. Attorney Zas clarified that the motion should include a request that the BCC waive the minimum scoring requirement for Localtopia, and no objections were noted. Mr. Kimball related that he is also a member of the Pelican Golf Club; and that he has been a member of Copperhead Charities, Inc.

Upon call for the vote, the motion carried 10 to 0, with Mr. Williams abstaining.

Mr. Satterfield provided comments regarding funding for the Gasparilla Bowl elite event, and Ms. Rodriguez remarked that the County is a leader in the elite event best practices and urged everyone to protect the environment by employing ocean-friendly practices.

## MARKETING UPDATE

### Digital and Communications/Advertising

Ms. Bridges and Mr. Bridges referred to a PowerPoint presentation titled *August TDC* and provided an update regarding the current traditional and digital advertising programs and discussed the purpose, benefits, production, and timeline of the Visiting Safely and Responsibly campaign, highlighting the following:

- Marketing is still challenging as a result of traveler sentiment due to COVID-19; staff is focused on advancing the industry in a positive direction, as the slowest tourism months of September through November are approaching.
- Digital and traditional programs would run concurrently with the Visiting Safely and Responsibly campaign.
- The digital program has performed well since the second week of May, generating over 2.8 million video views, 9 million impressions, and \$342,120 in hotel revenue.
- Paid traditional advertising programs include television, magazines, billboards, advertising at local airports, and a promotion with the Tampa Bay Rays.
- The Visiting Safely and Responsibly campaign involved collaboration with the Chambers of Commerce, municipalities, and other partners, and is based on creative and uplifting messages,

such as “rise to shine” and “spread out, mask up,” emphasizing the safety of the destination, promoting a safe and responsible visitation experience, and providing tips regarding the same.

- The campaign is aimed to benefit visitors, local communities, business owners, tourism, and economic development.
- In-market engagement will include the campaign messaging presented on various materials which will be provided to partners, Chambers of Commerce, St. Pete-Clearwater International Airport, and popular tourist sites, and advertised to visitors through traditional and digital media.
- The campaign will run September 1 to December 15, at the cost of \$1.95 million for media and production, and will engage 2,000 businesses to amplify its messages.

Mr. Bridges indicated that the County approved Phase II Pinellas CARES Act funding that includes a program for financial assistance to businesses, noting that applicant eligibility has been expanded, as compared to the business assistance program under the Phase I of CARES Act funding distribution.

In response to queries and comments by the members, Mr. Bridges provided information regarding distribution of the campaign materials and explained the objectives and challenges behind the campaign’s poster illustration, and Ms. Bridges provided input. Messrs. Hayes and Bridges discussed the importance of continuing marketing efforts in order to establish the expectation of a safe destination and to target and attract individuals who are currently interested in travel, while preparing for a future broader campaign.

## DEPARTMENT REPORTS

Mr. Hayes indicated that the reports can be found online at [partners.visitstpeteclearwater.com](https://partners.visitstpeteclearwater.com).

## VSPC PRESIDENT AND CEO REPORT

### Tourism Economics Snapshot and Pinellas County Bed Tax – June 2020

Mr. Hayes recognized staff for their efforts to position and sell the destination virtually, noting the challenges with regard to the current meetings and conventions component of tourism, and

August 19, 2020

reiterated the importance of conveying the message concerning the destination's safety for the benefit of tourists and local residents.

Mr. Hayes referred to a PowerPoint presentation titled *Tourism Economics Snapshot, August 2020 TDC Meeting* and reviewed the data for the month of June and/or year-to-date, including rooms sold, average daily rate, revenue per available room, market comparison, tax revenue year-to-date and a five-year comparison, and vacation rentals. He indicated that the area is doing well in relation to the rest of the state; that the June data shows a 25.6-percent revenue drop as compared to June of last year; that revenue has been slowly climbing up after the drops in March and April; and that the vacation rental market is faring better than the hotels, with the room nights sold numbers for June and year-to-date being flat, as compared to last year.

#### BOARD MEMBER COMMENTS/DISCUSSIONS

Mr. Hayes related that VSPC staff members worked with Economic Development and Creative Pinellas, assisting the local business and arts community with grants, noting the value of local businesses to tourism; whereupon, he indicated that VSPC is working with the three surrounding counties on a regional application for funding under the CARES Act that could be used for a recovery message.

Mr. Hayes also recognized staff members who worked at the Supervisor of Elections' Office for the Primary Election and plan to work there again for the General Election, and Chair Gerard thanked Mr. Hayes for doing so, noting that 183 County employees will be working at the polls in November.

Mr. Hayes indicated that VSPC's crisis communication plan will be emailed to the members.

Mr. Prather commended VSPC leadership and staff for their hard work in these challenging times, noting the efforts in redirecting the advertising strategies and operating under a reduced budget.

### CALL TO ORDER/CHAIR COMMENTS

Chair Gerard called the meeting to order at 9:12 A.M. and conducted a roll call of the members; whereupon, she asked Attorney Zas to outline the Elite Event review process.

### COUNTY ATTORNEY REPORT

Attorney Zas related that he provided a memorandum regarding the parameters for the Elite Event funding review and arranged the events into three categories: those that are fast-track eligible, ones that are eligible for scoring and funding consideration under the category requirements, and applicants that did not meet the minimum requirements for committee review.

### PUBLIC COMMENTS

No one responded to the Chair's call for public comment.

### APPLICATION REVIEW

(MINIMUM AVERAGE SCORE OF 700 REQUIRED FOR CONSIDERATION OF FUNDING)

Mr. Ramsberger explained that the scoring recommendations determined today will be presented to the full TDC and BCC for approval; whereupon, he indicated that four applications have been withdrawn: Rock n Roll Clearwater 5K Half Marathon, Tall Ships St. Petersburg 2021, DTSP Songwriters Festival, and Clearwater Sea-Blues Festival, which was not listed on the agenda.

Mr. Ramsberger explained that COVID-19 impacts will not be considered when scoring the applications; whereupon, in response to queries and comments by the members, Messrs. Ramsberger and Bridges indicated that information provided by Destination Analysts could be taken into consideration; and that the numbers are derived from both self-reported attendance figures and information from vendors and sponsors, and discussion ensued.

### FAST TRACK

Mr. Ramsberger related that the following applications qualify for the Fast-Track provision:

Valspar Championship (funding request: \$125,000)  
Clearwater Jazz Holiday (funding request: \$75,000)  
Outback Bowl & Clearwater Beach Day (funding request: \$75,000)  
Pier 60 Sugar Sand Festival (funding request: \$75,000)  
Hooters Clearwater Offshore Nationals (funding request: \$75,000)

Mayor Bujalski moved, seconded by Ms. Rodriguez, that the applications stated be approved for evaluation bypass consideration. Upon call for the vote, the motion carried unanimously.

Mr. Ramsberger indicated that the Pelican Women's Championship has two events this fiscal year, one in November and a second in May, that need to be scored separately; whereupon, Chair Gerard expressed concern with the lack of background information regarding attendance and other matters in both applications, and lengthy discussion ensued with input by Attorney Zas.

Eiger Marketing Group Vice President Kyle Draper stated that his company oversees various Ladies Professional Golf Association (LPGA) events; that the spectator count ranges from 25,000 to 100,000 people; and that he could provide more details regarding the projections for the May and November events; whereupon, responding to query by Mr. Satterfield, he provided details regarding parking.

A motion was made by Mayor Bujalski, seconded by Mr. Satterfield, that scoring on the Pelican Women's Championship events be deferred to provide staff time to gather supplemental information regarding room nights and attendance.
