**Support Funding  
Organization Department Summary**

Support funding is provided by the Board of County Commissioners for those activities for which costs do not apply solely to any specific County department's function, but are either applicable to the operation of county government as a whole, or are provided for the public good. Included within Support Funding are various Special Dependent Districts such as the Public Library Cooperative, Palm Harbor Recreation and Library, and Feather Sound Community Services Agency which rely upon the general taxing powers of the Board of County Commissioners to levy an ad valorem tax. These ad valorem taxes, approved by voter referendum, are levied upon properties within their respective districts to provide specific amenities. Also included with the Support Funding are the costs associated with the County's self-insurance program and the County's employee benefits program.

## EMPLOYEE HEALTH BENEFITS

Department Director: Kimberly Crum

Phone Number: (727) 464-3367

<https://www.pinellascounty.org/hr/benefits.htm>

### Department Purpose

Employee Health Benefits accounts for the costs associated with medical benefits, dental benefits, and the wellness program for County employees. The cost of these self-insured benefits are funded through an internal service fund established for the purpose of administering the County's comprehensive coverage for employees. The Employee Health Benefits Fund is administered by the Human Resources Department, whose budget is listed under Independent Agencies. In FY08, the reserve for accrued liabilities represented the County's cumulative funding for Other Post Employment Benefits (OPEB) obligations per Governmental Accounting Standards Board (GASB) Statement #45 requirements. With the issuance of the new GASB statement #75 effective for fiscal years starting after June 15, 2017, the rule requires that the entire obligation be recorded at implementation and updated each year. The expense to the County will be the change in the total obligation each year. This is a change of approach by the GASB.

### Budget Analysis

The FY23 Budget for the Employee Health Benefits Fund reflects an increase of \$7.9M, or 4.6%, over FY22 Revised Budget, including reserves. Staffing remains at 2.0 FTE. Operating expenditures, which is mainly comprised of payments for healthcare related claims, reflect an increase of \$544,390, or 0.8%, below the FY22 Revised Budget. Reserves increased \$7.4M, or 6.8%, which is used to keep the fund in compliance with requirements from the State of Florida Office of Insurance Regulation for self-insured benefit plans, and to partially address the County's OPEB liability.

# FEATHER SOUND COMMUNITY SERVICES DISTRICT

**Department Director:** Rob Copenhaver

**Phone Number:** (727) 215-3154

## Department Purpose

The Feather Sound Community Services District (FSCSD) is a special taxing district within unincorporated Pinellas County. This special taxing district was created by a vote of the residents of Feather Sound. It was established for the purpose of providing street lighting and the acquisition, development, and maintenance of recreational areas and greenspace for the residents of Feather Sound. The services are funded by ad valorem taxes. Property owners within the district are levied a separate millage for this purpose. The maximum millage rate that can be levied is 1.0 mill.

## Budget Analysis

The Feather Sound Community Service District's (FSCSD) FY23 Budget of \$304,520 reflects an increase of \$34,740 or 12.9% over the FY22 Revised Budget. The increase is due to increases in budgeted ad valorem collections.

The Feather Sound Community Services District (FSCSD) is supported by a dedicated property tax levy, currently at 0.7000 mills. The FY23 estimated tax revenue is \$272,490. The FY23 payment of \$235,000 to FSCSD reflects a variance of \$37,490, or 16.0% more than estimated tax revenues. The increase in tax receipts allows the County's Fund Reserve Balance to increase with the disbursements at \$235,000. The district is a non-profit entity which provides street lighting and parkland maintenance services for the area. The annual payment to the non-profit sometimes exceeds the property tax revenues collected, due to various community improvements needed. This overage has historically been funded by reserves held both at Pinellas County and FSCSD.

The Fire Protection Districts Fund accounts for the provision of fire protection services to residents of 12 unincorporated areas of Pinellas County. The primary source of revenue is the ad valorem tax levied on real properties within each separate district. The County budget for each Fire District is developed by applying the unincorporated pro-rata share of property values within the district to the contracted fire protection provider's annual operating and capital budget requests.

The FY23 Budget for all 12 Fire Districts totals \$57.0M, which is a net increase of \$6.1M, or 12.0%, over FY22. Total requirements include expenditures of \$21.6M and reserves of \$35.4M. The mix of reserves and expenditures can vary significantly each year with the amount of funds appropriated for major capital, including truck or engine replacement, and fire station replacement or renovations. The majority of FY23 expenditures are for provider contracts with fire departments that serve the districts. The total amount for the provider contracts is \$20.4M, which equates to 94.7% of the total expenditures. The remaining \$1.2M, or 5.3%, is for property appraisal, tax collection and fire administration expenses.

FY23 revenue for all the districts increases \$546,750, to a total of \$21.0M, or 2.7%, over FY22. The total includes \$20.7M, a 3.3% increase in ad valorem tax revenue. Substantial growth in property values in 2022 would have generated \$22.5M in tax revenue at the FY22 millage rates. The lower revenue increase reflects reduced millage rates in eleven (11) fire districts for FY23. See the Property Tax Rates and Revenue summary in Section B for the individual rates and revenue for each fire district.

## GENERAL GOVERNMENT

Department Director: Chris Rose

Phone Number: (727) 464-3596

### Department Purpose

General Government is a non-departmental category which aggregates and allocates countywide funding needs that benefit all departments and agencies, as well as unincorporated area Municipal Services Taxing Unit (MSTU) expenditures, that are not attributable to specific departments. The following significant items are included: tax increment financing payments, enterprise technology service charges, miscellaneous government costs, county memberships in organizations, and General Fund Reserves.

### Budget Analysis

The total General Government FY23 Budget, excluding transfers and reserves, reflects a decrease of \$57.8M, or 41.9%, from the FY22 Revised Budget. This includes General Fund expenses as well as those in the American Rescue Plan Act (ARPA) Fund. Including transfers and reserves, total General Government budget decreased \$105.5M, or 27.7%, to \$275.4M.

Within the General Fund, the FY23 Budget is decreasing \$74.7M, or 22.7%. This is in part the result of an increase in Transfer to the County Transportation Trust Fund (\$15.1M), completion of the Emergency Rental Assistance Program (\$30.8M) in FY22, and a reduction in Transfer to Capital Project Fund (\$62.2M).

The Transfers from the General Fund to other funds decreased by \$44.6M, or 53.4%. The decrease is due to removing the non-recurring transfer of \$62.7M to the Capital Projects Fund that was budgeted in FY22 to support capital for future facilities. For FY23, the transfer to support the Emergency 911 Fund, is increasing by \$2.4M. There are also two transfers from the General Fund to the Transportation Trust Fund. The first is \$13.3M which is the continuation of the 0.1279 in dedicated millage that was approved by the Board to help stabilize the Trust Fund. The second transfer is an additional \$18.3M, which is the equivalent of 0.1738 mills, to address level of service gaps related to resurfacing and road or bridge maintenance.

General Fund reserves decreased by \$3.0M, or 1.9%, from \$159.3M to \$156.2M. In FY23, reserves are 21.1% of revenue.

The FY23 Budget for General Government in the ARPA Fund reflects a decrease of \$30.8M, or 59.2%, from FY22. When the budget for the ARPA Fund was first established in October 2021, all funding was appropriated to General Government in the Emergency Events program. As projects are approved and funded, the budget is realigned to the departments managing those projects resulting in a decrease to the General Government budget as reflected in FY23.

## HEALTH DEPARTMENT SUPPORT

**Department Director:** Dr. Ulyee Choe

**Phone Number:** (727) 824-6921

<https://pinellas.floridahealth.gov/>

### Department Purpose

The Health Department Fund accounts for the collection of local ad valorem taxes and the subsequent distribution to the Florida Department of Health in Pinellas County (DOH-Pinellas) to fund health-related services to County residents. The majority of the budget comes from the State, local grants, and contracts. The DOH-Pinellas promotes and protects the health of citizens and visitors to Pinellas County through programs of disease prevention, diagnosis and treatment of disease, and environmental monitoring. Clinical services of the DOH-Pinellas include child health, maternity, family planning, refugee screening, and communicable disease services. Services are available in St. Petersburg, Clearwater, Pinellas Park, Largo, and Tarpon Springs. The current tax rate approved by the Board of County Commissioners is 0.0790 mills. This is a decrease of 0.0045 mills from FY21. The maximum millage cap is 0.5 mills.

### Budget Analysis

The Health Department Fund resources and requirements for the FY23 Budget total \$10.4M, a \$1.2M or 12.8% increase over the FY22 Budget. This includes \$2.0M Beginning Fund Balance. Notable increases include an increase of \$950,580 or 13.6%, in Grants and Aids, the expenditure category for payments to the Health Department. Core Services (the primary care services as defined by F.S. 154) totals \$6.3M, a \$891,000 increase, or 16.4% increase over FY22. The increase includes \$1.0M that will be used towards the first phase of a roof replacement at the St. Petersburg location. The State Employee increase and the minimum wage for the County portion from Salaries and Fringe is an increase of \$181,000. Core services funding does not include contract funds with Human Services for the healthcare programs. School Nurses program budget of \$1.6M reflects an increase of \$59,580, or 3.8% when compared to FY22. The increase is due to the School Nurse COLA increase of 3.8% to match the Cost of Living Adjustment for Pinellas County School Board (PCSB) employees.

## LEALMAN CRA TRUST

**Department Director:** Carol Stricklin, AICP

**Phone Number:** (727) 464-5698

<https://pinellascounty.org/cra/lealman/default.htm>

### Department Purpose

The Lealman Community Redevelopment Area (CRA) Trust was established June 7, 2016 by the Board of County Commissioners (BCC) to support redevelopment activities specified in the Lealman CRA Plan. The CRA Trust undertakes activities/projects for the elimination and prevention of identified deterioration and economically distressed conditions in the designated area. Public funding is used to stimulate private sector investment in this endeavor. Public revenues to the CRA Trust are generated through Tax Increment Financing (TIF) as defined by State statute. Since this district is in the County's unincorporated area, the General Fund contributes TIF resources based on both the Countywide and the Municipal Service Taxing Unit (MSTU) property tax collections.

### Budget Analysis

The FY23 budget for the Lealman CRA is increasing \$3.1M, or 96.9% when compared to the FY22 budget. The Personal Services for the department reflects an annual increase of 3 percent from midpoint salary increase, a \$1,200 base salary increase for each employee, and a \$1,200 non-recurring retention pay supplement to be paid in two installments of \$600 in November 2022 and May 2023. Grants and Aids increased \$3.0M, or 113.4% mainly for projects undetermined in future years.

# LEALMAN SOLID WASTE

<https://www.pinellascounty.org/solidwaste/lealman/default.htm>

## Department Purpose

This fund accounts for the revenues and operating expenditures associated with the Lealman Municipal Service Benefit Unit (MSBU). The Lealman MSBU was established to provide for residential waste collection and disposal services within the unincorporated Lealman area. A non-ad valorem special assessment is levied on Lealman MSBU property owners' tax bills annual to provide funding for these services.

## Budget Analysis

The FY23 Expenditure Budget for Lealman Solid Waste programs (net of Reserves) is increasing \$100,370, or 6.7%. The main component of the increase is Contract Services-Other, which is increasing \$101,550, or 7.1%. The predominant driver of this is the recommended per-ton tipping fee increase of 6.8%. That tipping fee increase results in increased expenditures paid to the contract service provider in the Lealman community.

The current contract has been in place since January 2017 and includes roll carts for all residents. Roll carts serve to minimize litter while providing a consistent neighborhood appearance. All remaining expenses reflect an increase of \$270 across various accounts in support of departmental operations.

The FY23 Revenue Budget for Lealman Solid Waste programs is increasing \$17,610, or 1.4%. This is driven entirely by the number of customers receiving services. Customer growth is anticipated to increase by 100 for FY23. There are no proposed changes to user fees. Therefore, the monthly cost of service will remain \$16 (\$192 annually).

## MEDICAL EXAMINER

Department Director: Jon R. Thogmartin  
<https://www.pinellascounty.org/forensics>

Phone Number: (727) 582-6800

### Department Purpose

The Medical Examiner safeguards the rights of each citizen who dies in Pinellas County by determining the cause and manner of death according to the responsibilities and obligations in Chapter 406, Florida Statutes. The Medical Examiner's Office provides both forensic medicine services (investigation of sudden, unexpected, or suspicious death) and forensic laboratory services (chemical and drug analyses) to Pinellas County on a contractual basis.

For additional information, please visit <http://www.pinellascounty.org/forensics>

### Budget Analysis

The FY23 expenditures for the Medical Examiner are increasing by \$407,660, or 5.5%, over the FY22 budget. The overall budget increase is mostly related to a rise in operating expenses resulting from Professional Services. Professional Services represents the contract for services with the Medical Examiner. Within this contract, the largest increase was to payroll expenses.

Operating Professional Services (ME contract) shows a net increase of \$502,320, or 7.4%. The increase is attributed to a rise in salary costs while total positions declined by one (or a half FTE). These positions are part of Professional Services because the employees of the Medical Examiner work directly for the ME the County or the State). These increases were not part of County or State-wide standard inflationary increases.

Machinery and equipment reflect a decrease of \$72,520, or 55.8%, resulting from the completion of the renewal of a STRmix software licenses and additional DNA equipment. This reduction is offset with the planned purchase of a Freezer mill (\$7,500) and Autoclave (\$8,500).

Facility related costs not captured within the ME cost center total \$421,110, an increase of \$72,330 from the prior year (these costs are reflected in the Administrative Services department budget).

# PUBLIC LIBRARY COOPERATIVE

**Department Director:** Cheryl Morales

**Phone Number:** (727) 441-8408

<https://www.pplc.us/>

## Department Purpose

The Public Library Cooperative (PLC) serves residents of Pinellas County and its member public libraries. The PLC serves these groups through the management of county, state, and federal funds for library development and by facilitating the sharing of materials and resources among its members. The PLC is funded by a millage levy in a portion of the unincorporated areas of the County. These funds support PLC administration and its member libraries pursuant to an interlocal agreement among the members and the County. The maximum millage rate that can be levied is 0.5 mills. Talking Book Library and Deaf Literacy Center services provided by PLC are primarily supported by the State Aid to Libraries annual grant funding from the State of Florida, although these funds are not reflected in the County's budget.

## Budget Analysis

Excluding Reserves, the FY23 Budget for Public Library Cooperative (PLC) reflects an increase of \$760,730, or 11.19%, over the FY22 Adopted Budget. The increased appropriation is due primarily to the anticipated increased property values. Of the FY23 Budget, \$7.3M will be utilized for the program and \$250,800 for commissions (Tax Collector and Property Appraiser) as required by state statute.

The amount of program funds allocated for cooperative members and PLC operations is 92.2% of the Public Library Cooperative program budget. These funds support administrative expenses (approximately 10.5%) and payments to the 14 member libraries. The payments are intended to provide funding support in recognition of the services provided by the member libraries to unincorporated residents who are assessed the PLC millage.

## STREET LIGHTING DISTRICTS

### Department Purpose

Street Lighting services for property owners in unincorporated areas of Pinellas County are provided through neighborhood area self-funded districts. The Street Lighting Districts (SLD) are created in the unincorporated areas of Pinellas County when 60.0% or more of the affected property owners in a given area petition the Board of County Commissioners to form a district. Once a year all property owners in these districts are assessed based on their pro-rata share of the costs of operation and maintenance of the district's lighting system, with the costs being added as a non-ad valorem assessment to their tax bill. Pinellas County Public Works coordinates and arranges for lighting installation and provides the annual assessment roll, while lighting services are provided by Duke Energy Corporation.

### Budget Analysis

Pinellas County has over 300 Street Lighting Districts within the unincorporated areas where property owners within each district are separately billed on their property tax bill for their proportional share of costs as a non-ad valorem assessment. Actual costs within each district and the Duke Energy projected rate increases/decreases are utilized to determine the budgetary projections for each district. The FY23 Budget reflects little change as compared to the FY22 Budget. In FY23 total expenditures are decreasing by \$141,650 or 9.42%. This is due to increased energy costs that occurred during FY22 resulting in a spend down of reserve funds.

In FY22, a one percent rate decrease was applied to the electric costs when calculating the Street Lighting Districts' revenues. This intentional rate decrease was intended to lower the Street Lighting District assessments for property owners and utilize accumulated reserves to cover a portion of the expenditures. This rate decrease was not applied again in FY23, the rate will remain flat. Due to the substantial increases in energy costs and low reserves, this Department will be monitored closely during FY23.
