Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This award for federal funding supports the County's Health Care for the Homeless program for a three-year project period starting March 1, 2023, through February 28, 2026. The purpose of this grant program is to improve the health of the Nation's underserved communities and vulnerable populations by assuring continued access to comprehensive, culturally competent, quality primary health care services. In 2022, the program provided basic health care services on the Mobile Medical Unit (MMU) and at Bayside Health Clinic to 1,967 homeless patients. A majority (93%) of these clients have an income at or below 100% of the Federal Poverty Level (FPL).

- The next three-year grant period of federal funding supports the County's Health Care for the Homeless program for a project period starting March 1, 2023, through February 28, 2026.
- Federal funding supports the provision of medical, dental, and behavioral health care for individuals experiencing homelessness and receiving care at the Bayside Clinic and Mobile Medical Unit.
- Federal funding for the grant award is in the amount of \$1,926,977.00 for the first budget year starting March 1, 2023, through February 28, 2024. This is an increase of \$162,412.00 from the initial application as it includes funding for the Ending the HIV Epidemic - Primary Care HIV Prevention (PCHP) funding previously awarded in separate grant.
- The HCH Co-Applicant Board maintains shared oversight and authority of the HCH program as defined in the Co-Applicant Agreement, last approved on March 9, 2021. The Co-Applicant Board accepted the grant award on February 14, 2023.
- In 2022, the County served 1,967 unduplicated homeless patients through the MMU and Bayside Health Clinic. This award will allow the County to continue providing primary medical care and prevention services to homeless residents. The funding will support clinical services for 2,831 unduplicated patients by December 31, 2024.

This grant award is for \$1,926,977.00 in federal funds. While no cash match is required, the County anticipates applying non-federal funds to the program totaling approximately \$3,437,610.00. This grant is included in the FY23 & FY24 Budgets.

Initial application is under Granicus ID 22-1152A
