Except when the most recent registration of the subject aircraft is expired or cancelled, 14 CFR 47.31(c) provides temporary authority for an airworthy U.S. aircraft to be operated within the United States without registration when a copy of the signed aircraft registration application is carried in the aircraft. This temporary authority is valid (i) until the applicant receives the Certificate of Aircraft Registration, (ii) until the date FAA denies the application, (iii) or as provided by paragraph (c)(2) of this section.
