Background Information:

Since Fiscal Year (FY) 2001, the first year of the Environmental Lands Unit contract with the County, PCSO deputies have provided excellent security at the preserves, have shown sincere interest and have helped build community support. They have greatly diminished the trespassing, illegal dumping and poaching activity on County park and preserve properties and work very effectively with Parks and Conservation Resources (PCR) staff.

This contract is an annual expenditure of \$332,342.00 (an increase of 7.56% from FY22 (\$308,990.00) and includes Utilities funding of \$81,558.33 to secure their department's portion of the Brooker Creek Preserve. This expenditure is not part of the Parks and Conservation Resources (PCR) budget but is included in the yearly appropriations to the Pinellas County Sheriff Office (PCSO) as part of the budget process. This contract is consistent with the FY23 Proposed Budget for PCR, PCSO and Utilities. No negative budgetary impacts anticipated.
