Background Information:

Suncoast Health Council is an independent, private non-profit organization governed by a volunteer Board of Directors to represent the concerns of health care consumers, providers and purchasers in Pinellas and Pasco counties. The Health Council collects and analyzes health care data; describes community health status; identifies health care needs and resources; and works with community partners to design programs and services to respond to current and emerging health care needs. The board is made up of consumers, providers, and purchasers of health care. Members are appointed to specific member categories: Health Care Provider, Health Care Consumer and Health Care Purchaser.
