Date/Time/Comments: 07/02/2018 Approve the submission of a Grant Application for Federal Assistance to request federal entitlement grant funding to complete the following projects: (1) Runway 18/36 Rehabilitation, (2) Customs and Border Protection (CBP) Improvements, and (3) Security System Upgrades for St. Pete-Clearwater International Airport (PIE). The application for funding does not require application of insurance requirements.

NOTES: This FAA Airport Improvement Program (AIP) Grant Application is requesting \$6,558,900 in Fiscal Year 2017 and 2018 (FY17 and FY18) AIP entitlement funding to perform three (3) projects identified in the Airport's Capital Improvement Program (CIP): (1) Runway 18/36 Rehabilitation, (2) CBP Improvements, and (3) Security System Upgrades. These projects are all budgeted in PIE's CIP in FY19. This is a single grant for all three projects.

The FAA requires that the Grant Agreement be executed within ten days after receipt. Due to the FAA's time constraints, approval is requested for the Chairman to execute the Grant Application and Grant Agreement and the Clerk to attest the signatures. This agenda item accompanies Purchasing Department's Legistar Items #18-500A, #18-433A, and #17-2068A.
