Date/Time/Comments: 09/07/2018 Approval of the grant award for the Pinellas Criminal Justice Domestic Battery Response Improvement Project. Application for grant was previously approved under 18-097D. Copy is attached. Grant award does not require application of insurance requirements

NOTES: The Pinellas Criminal Domestic Battery Response Improvements Project will enhance services for victims and defendants who are parties to misdemeanor domestic battery, domestic assault, stalking, and other related domestic violence charges. This project is a collaboration between the County, the Sixth Judicial Circuit, Community Action Stops Abuse (CASA), The Haven of Religious Community Alternatives, and the Pinellas County Sheriff. The partners will work together to ensure victim safety and offender accountability.

Planned initiatives for this project will: 1) add two to four Batterers Intervention Program groups at the jail; 2) provide early access to advocacy and referral services to domestic violence victims; 3) test domestic violence probationers for substance abuse monthly; 4) create a multidisciplinary domestic violence advisory group; and 5) train stakeholders to identify and address the specialized needs of LGBTQ victims of domestic violence and victims of sex trafficking.

VEH – MOU outlines responsibilities of all parties, but states subsequent agreements will be made with each party and Pinellas County for providing services. Risk will assign insurance requirements in those agreements as needed.
