Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This is for the approval of the Memorandum of Agreement with the State of Florida, Department of Health to pre-position the Strategic National Stockpile's CHEMPACK Assets and CHEMPACK Containers in Pinellas County, Florida. This contract provides for the placement of CHEMPACK Assets and CHEMPACK Containers at a defined Cache Location within Pinellas County. The CHEMPACK Program is designed to provide state and local governments a sustainable resource of "forward" placed nerve agent antidotes that will greatly improve their capability to respond quickly to a nerve agent incident. State and local government participation in the CHEMPACK Program is voluntary.

There is no fiscal impact associated with this MOU to the County.
