Subject: Request for Extension for Response for Further Information - EDA Control No. 112470

Good Afternoon Greg – Pinellas County has received the EDA's notice of further consideration and request for additional information. We are requesting a two week extension of the current response deadline of March 4, 2019. This is needed to meet agenda deadlines and properly prepare documents to bring them to a Board of County Commissioners meeting for approval. Please advise as to whether our submission date can be extended to March 18, 2019. We continue to appreciate your efforts to guide us through this process. Thank you, Cindy
