

**2024-2025 Funding Recommendations**

Program/Activity	National Objective	Performance Objective/ Outcome	Funding Source	Beneficiaries	Funding Recommendation
------------------	--------------------	--------------------------------	----------------	---------------	------------------------

**Project funding award amounts listed are estimates based on initial project review. Amounts may increase or decrease for reasons such as, but not limited to, the following: competitive bid results, cost adjustments to comply with federal requirements, site plan approval, building permit requirements, funding provided by non-County sources, expansion of project scope, etc. Projects listed as alternates will only be funded if additional funds become available. Any project identified may receive funds from uncommitted prior year funds or unanticipated program income.**

**Priority: Target Area Improvement Program**  
 Concentrated investment for public facility improvements, physical improvements and comprehensive planning activities in locally designated target areas and/or HUD designated Low/Mod Areas that will impact neighborhood stabilization, revitalization and improve the quality of life and health in order to achieve local objectives and desired outcomes. Some activities may be phased over multiple fiscal years and will be considered continuation projects. In addition to FY24-25 funding identified below, any project may receive additional funds available from uncommitted prior year funding or unanticipated program income.
