To Whom It May Concern from Pinellas County Government,

The Pinellas I-PED (Impaired Pedestrian-Bicycle Evaluation and Demonstration) Project,

for the Notice of Funding Opportunity (NOFO) Fiscal Year (FY) 2023 Safe Streets and Roads for All grant program, was selected for an award of \$ 2,500,000.00 in Federal funding. Congratulations! This funding is to conduct supplemental planning and/or carry out demonstration activities.

This email is not authorization to begin work, and it does not guarantee Federal funding. The United States Department of Transportation (USDOT) and Pinellas County Government UEI #R37RMC63XKG1 must establish and execute a signed, mutually agreed upon grant agreement prior to the obligation of award funds.

**Immediate Next Steps:** USDOT made the public announcements related to the awards on December 13<sup>th</sup>, 2023. See the [press release](#) and the award recipient list here: [FY 2023 SS4A Awards](#). We published a short summary of the proposal from your application on our Safe Streets and Roads for All website as part of the public announcement, pursuant to Section H Part 2 of the Notice of Funding Opportunity (NOFO). If you need to correct what is provided on our website once you see it, please let me know by emailing [SS4A@dot.gov](mailto:SS4A@dot.gov). The website link is <https://www.transportation.gov/grants/SS4A>.

**What to Expect in the Next Few Weeks:** My colleagues at the Federal Highway Administration (FHWA) are responsible for establishing and executing a SS4A grant agreement with Pinellas County Government. You can expect to hear from a FHWA representative with your State's FHWA Division Office in the near future. In the weeks ahead you will receive more information about next steps, including an invitation to a FHWA-sponsored webinar for grant recipients to describe the process leading to an executed grant agreement. The webinar will be recorded for those who are unable to attend and posted to the SS4A website. In the meantime, **if you have questions about next steps, please direct them to FHWA using the email [SS4A.FHWA@dot.gov](mailto:SS4A.FHWA@dot.gov).**

Finally, we ask for your patience as we work diligently toward executing grant agreements so your important safety work may begin. FHWA staff will be working with hundreds of new grant recipients to expeditiously process new grant agreements, and this will take time.

It's exciting to see so many communities on the path to improving roadway safety, and the whole SS4A Program team is passionate about helping you succeed. Thank you for your commitment to roadway safety.
