I.) OPEN PUBLIC HEARING

CHAIRMAN	Good evening. Tonight's public hearing is the first of two public hearings for the consideration and adoption of the FY20 Tentative millages and Tentative budgets. For the benefit of those here this evening and our at-home viewing audience, here's the sequence of events for tonight.
	1) The County Administrator will present changes to the Tentative Budget since it was originally presented to the Board on July 23rd.
	2) The County Administrator will provide a Budget Overview presentation that incorporates these changes.
	3) We will accept public comment on the following property tax levies and budgets by the following taxing authority classification: <ul style="list-style-type: none"> ▪ the BCC County-wide levy for the Pinellas County General Fund, and the County levy supporting the Health Department Fund, ▪ the levies for Dependent Special Districts and Unincorporated Area "Municipal Services Taxing Units" that, going forward, will be referenced as "MSTUs".
	Dependent Special Districts include the Emergency Medical Services Authority and Pinellas Planning Council, and MSTUs include the Unincorporated Area Municipal Services Unit, Public Library Services District, Palm Harbor Community Services District, Feather Sound Community Services District, East Lake Library Services District, East Lake Recreation Services District and the Special Fire Protection Districts.
	4) If you are here to speak regarding the Tentative millages and Tentative budgets, you should have filled out a blue card. If you have not yet filled out a card and wish to speak, please see the staff seated by the entry door and they will assist you.
5) After hearing all public comment, I will ask the Board if they recommend any further changes to the Tentative millages or Tentative Budgets. If so, I will ask the Board for a motion and a vote to adopt any changes.

<p align="center">CHAIRMAN</p>	<p>6) Finally, we will adopt the resolutions for the FY20 Tentative millage rates and Tentative budgets, which will be the basis for the final budget public hearing that will be held on Tuesday, September 24th at 6:00 p.m. In accordance with Florida Statutes, the Tentative millage will be adopted first and then the Tentative budget will be adopted for each taxing authority.</p>
	<p>7) Before we begin this public hearing, if anyone is here tonight with specific questions or concerns regarding the assessed value of their property or information on the TRIM notices they received, tonight we have here with us Kevin McKeon, the Deputy of Assessment Administration, from the Pinellas County Property Appraiser's Office. If anyone would like to speak with him, please follow him at this time, and he will answer your questions.</p>
	<p>8) Florida Statutes also provide that a taxing authority may adopt the tax levies and budgets of all its dependent special taxing districts and MSTUs by a single unanimous vote. However, if a member of the general public requests that the tax levy or budget of a dependent special tax district or MSTU be separately discussed and separately adopted, we will then discuss and adopt that District's tax levy and budget separately.</p>
	<p>At this time, does any member of the general public request separate discussion or separate adoption of a tax levy or budget of any dependent special district or MSTU?</p>
<p><i>(Note to CHAIRMAN)</i></p>	<p><i>(If no one requests separate discussion/adoption of tax levy or budget, continue with this script; OR if request is made for separate adoption, go to <u>Alternate Script - Adoption by Separate Resolutions</u>. The Alternate Script will be distributed at the meeting if needed.)</i></p>
<p align="center">CHAIRMAN</p>	<p>9) Since we have not heard from anyone requesting separate discussion and separate adoption of the dependent special districts and MSTUs, we will proceed with adoption of the tentative millages and tentative budgets by single unanimous vote. We will now open the first official public hearing on the FY20 Tentative Millage Rates and Tentative Budgets.</p>
<p align="center">CLERK</p>	<p>This public hearing is being held in accordance with Chapters 129 and 200 of the Florida Statutes. The meeting has been duly noticed by the Property Appraiser's mailing of the TRIM Notice.</p>
<p align="center">CHAIRMAN</p>	<p>Thank you. We, the Board of County Commissioners, as taxing authority for the BCC County-wide, Dependent Special Districts and MSTUs (as previously referenced) will now proceed with the public hearings.</p>

FIRST PUBLIC HEARING - SEPTEMBER 12, 2019

**SCRIPT FOR ADOPTION OF
FY20 TENTATIVE MILLAGES AND TENTATIVE BUDGETS**

ADMINISTRATOR	In accordance with Florida Statutes, I want to publicly note that the percentage increase in the millage rate for all budgets over the rolled-back rate, based upon the maximum rates on the TRIM Notice and subsequent decreases to such rates, to fund the FY20 Tentative Budget is a 4.61% increase over the aggregate rolled-back rate . The primary purpose for the increase in millage over the rolled-back rate is due to the following:
ADMINISTRATOR	<p>In the General Fund including Unincorporated Area MSTU, Health Department Fund and Emergency Medical Services Authority, revenue increases are required to support personnel and operating expenditure levels that are driven by inflationary factors.</p> <p>In the Public Library Services District MSTU, the Palm Harbor Community Services MSTU, the Feather Sound Community Services MSTU, the East Lake Library Services MSTU, East Lake Recreation Services MSTU and seven Special Protection Fire Districts, revenue increases are needed to support increased expenditures by the agencies providing services for those districts. In the other five Special Protection Fire Districts the revenue decreases are due to those districts having sufficient reserve levels to provide for future planned capital along with property values that can support annual operations at a lower millage rate.</p> <p>CHAIRMAN, before we begin the FY20 Budget presentation, I want to note that a schedule of changes to the Tentative Budget was distributed to the Board on August 29, 2019. Modifications include both Board directed changes approved at BCC meetings or work sessions and technical adjustments related to accounting presentation, updated information, corrections, and other minor changes. We will now continue with the FY20 BUDGET OVERVIEW PRESENTATION</p>
