Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

The Human Services Department requests that the County Administrator approve this Letter of Agreement with the Florida Association of Community Health Centers (FACHC). The agreement disburses a total of \$75,470.00 in State funds, through FACHC, to increase the provision of health services to homeless clients served by the County's Healthcare for the Homeless program (Mobile Medical Unit and Bayside Health Clinic) for use in FY17. The first installment is in the amount of \$37,735, and the second and third installments will be in the amount of \$18,868.

A budget resolution is required to recognize the unanticipated receipts and increase the Human Services Department's Fiscal Year 2017 (FY17) expense budget by \$75,470. No match is required. The additional funds will support increased services through June 30, 2017.
