*Good Morning, Deirdre.....*

***There is one item to correct, if possible:***

At Section A. 1. For Q Z-17-7-15:

On the **first line** of the **first paragraph**, where the sentence begins with “ Resolution changing...”

The **alignment** of this line with the rest of the paragraph is **off by one space** at the **beginning of the line**.

Everything else appears to be fine and, if this line alignment item can be implemented, the ad is good to go for publication.

*Thank You for your assistance.*

**Importance:** High

Since I've not been involved with the ads for the last few weeks, I guess the proof is good for publication.

Though, it appears that the word "Resolution" under A. 1. Q Z-17-7-15 is indented an extra space and not aligned with the rest of the cases but, not a deal breaker.

Looks good otherwise.

Publish it.
