Citizens questions and or comments pertaining to:

If unable to attend on 10-/24, please accept this communication in lieu of, to offer the following under Agenda item 1 and 2 of citizens input. Footnote: perhaps some of you also have the same or like observation's or questions?

1. Please collectively discuss to discover IF in the event in the time ahead, **and if** the boccc does pass the funding with countywide - as some call *bed taxes* for/to and **yet to be shown** with an specific presented agenda item sum of countywide funding for the pending Dunedin stadium renovation,(s) new clubhouse, etc., as to if there are cost overruns, unintended consequences, or with more or unexpected debt incurrence, or maintenance costs, repairs, etc. meaning therefore... if having more costs/extra cost and are realized in subsequent years, how would that (those costs) be addressed/funded???
2. item #2. As shown....Tourist Development Tax (TDT) **Elite Events Funding;**

Does that mean or translate with countywide public tax funding will we, the citizens/taxpayers of PC get a reduced admission/entrance ticket charge for a/any **Elite Event**? If not-why not? or will Pinellas county residents pay the same admission ticket prices of non-Pinellas county residents?

- I do think the aforementioned is relevant to the Workshop agenda. If you disagree, please advise and explain. Thank you.

sidebar if able to talk about what is not on the agenda.

- When are the 7 BOCC members going to discuss/revisit the county imposed \$5.00 daily parking fees at our three county parks/beaches? Are we still in a recession or ?. Can you all please that discussion?
