**SUMMARY REPORT:**

The updated ordinance proposes to bring greater accountability to short-term rental (STR) owner/operators within the unincorporated Pinellas County to preserve the highest quality of life within residential neighborhoods and to bring an increased awareness and compliance with the Florida Building Code and Florida Fire Prevention Code. The regulation of STR's will fall under the Code Enforcement Division with support from the Building Division on inspections.

The following is a summary of updates:

- Purpose and Applicability – individual rooms within owner occupied properties is deleted from the section as the State does not license individual rooms.
- Areas Embraced – this section clarifies the geographical jurisdiction of the ordinance.
- Definitions – added to clarify key terminology used throughout the ordinance.

- Mandatory Certificate of Use – this section is the key provision that will deliver greater accountability and will be supported by 3rd party technology with the capabilities of “address identification” of STR’s and continual monitoring of host platforms for compliance purposes. Inspections are part of the Certificate of Use process.
- Standards – Minimum Life/Safety Standards enumerated for consistency with the Florida Building Code and Occupancy regulated by bedroom count (2 per bedroom) plus 2 persons in common area. Children under 12-years of age not included in occupancy calculation.
- Inspections – occur at initial Certificate of Use application and every 2-years thereafter to demonstrate meets minimum life/safety standards.
- Advertisement – this is a tool to support the Mandatory Certificate of Use and compliance monitoring.
- Enforcement – updated to have broader application and consistency with the Pinellas County code.
- Consistency – Standard STR language throughout the Pinellas County code.

The Certificate of Use program is targeted to be effective April 1, 2025. An educational campaign will be launched in February/March 2025 including notification to the 2,700 +/- STR owner/operators in the unincorporated county to the requirement of a mandatory Certificate of Use starting in April 2025.
