RESIDENTIAL TRAFFIC MANAGEMENT
VOTE ANALYSIS
DIRECTIONS FOR USE OF SPREADSHEET:

1 This spreadsheet should be established along with the PROPERTY OWNERS LIST.

2 Save this spreadsheet under PWTCALM, in the correct PROJECT FOLDER.

3 To show the filename and path in the FOOTER:
   Click View
           Click Header and Footer
           In PAGE SETUP pop-up - Click CUSTOM FOOTER
           In FOOTER pop-up - under "LEFT SECTION:"
                   Enter Name of Project file you saved to
                   Click OK
                   Click OK
   Spreadsheet will automatically enter filename as footer.

4 Enter data in shaded areas:

           Project Name
           TC number
           Total lots in defined area
           Total commercial lots
           Total (extra) multi-owner lots
           Total for any other anomalies

5 Spreadsheet will automatically tally:
           "Total Eligible to Vote"
           "Required Notification"
           "Required Endorsement"

   This information will be used to prepare your petitions.

6 When petitions are received back -
   Highlight addresses and names on Property Owner's spreadsheet-
   based on petition votes.

7 Enter data in shaded areas:
           Endorse Traffic Calming
           Does Not Endorse Traffic Calming
           Returned Petition, But Did Not Vote

   Spreadsheet will tally figures to show percentage of endorsement and non-endorsement.

8 If required endorsement is met, complete balance of form.

9 If Certified Mail is sent, enter data in shaded areas:
           Certified Mail Delivered
           Certified Mail Accepted

10 Determine and enter data for:
     Certified Mail Accepted, but no Vote
     Certified Mail Refused
     Certified Mail Returned, Incorrect Address

     No Response to Traffic Calming Petition

11 Each time you perform a tally of the votes, enter data in "Tracking table" on lower-right.

12 Once the Vote Analysis is completed, sign name and enter date at bottom of form.

13 The information on this form will be used in conjunction with the Property Owners List
  to prepare the Endorsement Plan, for submittal with the BCC memo.

14 TO PRINT:
     Highlight form area
        Click - File - Set Print Area

     Print to Xerox 3535 - portrait - letter size
