Subject: RE: Grants Intent to Apply Received - FY17 DNA Capacity Enhancement an...

OMB has no objection to the department submitting a grant application to the US Department of Justice, Office of Justice Program, National Institute of Justice to obtain funding for the DNA lab to enhance capacity and reduce backlog.

Requested funding is \$227,034 from the FY17 DNA Capacity Enhancement and Backlog Reduction (CEBR) Program over a 2 year period. A match is not required. The grant funds are used for salaries/benefits of 1.5 employees to perform case work, and the purchase of a replacement genetic analyzer and other required supplies.

The Department Director can sign off on this application package. Please include this email when you send a completed submittal through Granicus. The completed application will be a delegated item to be placed on the County Administrator's Delegated Authority log.

If you have any questions, please do not hesitate to contact me.

Thank you.
