Mr. Greg Woodrum
Pinellas County EMS & Fire Administration
12490 Ulmerton Road
Largo, FL 33774

Subject: Medical Control Board Alternate

Dear Mr. Woodrum,

I would like to recommend Roger Haney as my alternate to the EMS Medical Control Board. Roger currently service as Chief Operating Officer at Palms of Pasadena Hospital, where he manages day-to-day operations of the clinical areas such as Surgical Services, Pharmacy, Imaging, Laboratory, Therapies, and Wound Care. Roger oversees the Facility management Department, Emergency Management, Life safety and Environmental Care Programs and he is the Ethics & Compliance Officer.

Roger comes to Palms of Pasadena Hospital from Edward White Hospital, Regional Medical Center Bayonet, Lee Memorial health System where he held the positions of Vice President of Operations and Human Resources.

I am confident that his vast experience in healthcare would qualify him as a capable alternate for the Board.

Respectfully,

Sharon D. Hayes
Chief Executive Officer
