Mr. Craig A. Hare,

It is my pleasure to write a letter of support for the updates to the EMS Ordinance and EMS Rules & Regulations per our meeting on Monday, August 15th, 2016.

As a new non-emergency transportation provider, Americhair Transport Service, Inc. is committed serving Pinellas County in a manner that upholds any EMS ordinances or rules to the letter. We also appreciate the willingness on behalf of Pinellas County EMS & Fire Administration to work with us to improve the non-emergency medical transportation industry. We hope that our addition adds liquidity and another safe, reliable, professional service provider to the market.

In conclusion, I fully support the efforts of Mr. Craig A. Hare in conjunction with the Pinellas County EMS to update the rules and regulations relative to wheelchair and stretcher transport. Mr. Hare's passion for the continued improvement of this industry is very apparent. This is a passion we share at Americhair Transport Service, Inc.. We are extremely excited to have Mr. Hare as an advocate and look forward to working with him, Mrs. Melissa Hiles and the Pinellas County EMS & Fire Administration going forward.
