One of the recommended JAG award providers has decided not to move forward with accepting their award. At the July SAAB meeting, the board made the recommendation that if any of the awards are not accepted those grants funds would be equally reallocated to the other awardees up to their full requested funding amount.

Your new recommended award amount for following JAG-C funding for **Directions for Mental Health Inc. DBA Directions for Living in the upcoming fiscal year: \$57,500.00 for Telehealth Remote Access to Crisis Evaluation (TRACE)**. The recommendations will be sent to the Board of County Commissioners for final approval.

Please respond to confirm that you accept this new award recommendation as soon as possible and no later than **Friday, September 2 at 5 PM.**

Thank you,
