Qualification Requirements:

The Solid Waste Technical Management Committee shall meet periodically to review and make recommendations to the governing body concerning rates, formation, implementation and revisions of policies and programs; establishment and location of solid waste disposal and resource recovery system facilities; introduction and integration of new technologies, major equipment acquisition; selection of consultants; approval and submission of grant applications; and any other management or operational policies.

The Committee consists of 13 members, as follows: two members shall be appointed by the BCC; two members shall be appointed by the city commission of St. Petersburg; one member each appointed by the city commissions for Clearwater, Dunedin, Largo, Pinellas Park, St. Petersburg Beach and Tarpon Springs. Each of the above members shall serve at the pleasure of the appointing body. One member shall be appointed by the combined city commissions of Belleair, Belleair Bluffs, Oldsmar and Safety Harbor. One member shall be appointed by the combined city commissions of Seminole, Kenneth City, Gulfport and South Pasadena. One member shall be appointed by the combined city commissions of Indian Rocks Beach, Indian Shores, Belleair Beach, Belleair Shores, North Redington Beach, Redington Beach, Redington Shores, Treasure Island and Madeira Beach. Each member serving for a combined municipality shall hold office for two years.
