**Subject:** RE: Grants - Intent to Apply Submitted to OMB - Airport Improvement Program

OMB has no objection to the department submitting a grant application to the US Department of Transportation, Federal Aviation Administration to obtain funding for construction of new GA Taxiways and Roads at the airport, CIP 000034A.

Requested funding is \$9M from the Airport Improvement Program's supplemental "Grants-In-Aid for Airports" discretionary appropriation made available July 2018. A \$1M County match is required. The source of the match is the Airport Operation and Revenue Fund Reserves. The total project cost is \$10M. The project (000034A) is in the Proposed FY19 County Capital Improvement program for the fiscal years 2023 and 2024. If funds are awarded, the project can move forward and newly anticipated cost increases will be covered.

The Board of County Commissioners signs off on this application. Please include this email when you send the application through Granicus for contract review and Board Agenda.
