Participants must have an identified substance use disorder or co-occurring substance use and mental health disorder. Participants must be homeless or be transitioning from an institutional setting without identified housing. MSI accepts individuals from the local homeless coordinated entry system as well as from WC's residential drug treatment programs which primarily serves at-risk individuals from the justice system. Individuals in these programs are adults with a substance use disorder, either active or in recovery, who are experiencing barriers to obtaining or maintaining livable-wage employment and self-sufficiency.

Scope of Services:

MSI provides transitional and rapid rehousing services for homeless individuals and families (rapid rehousing only) as well as vocational and employment services when indicated. MSI works closely with other WestCare programs to ensure easy access to workforce support and medication-assisted treatment programs. Services provided through MSI help to reduce relapse and criminal recidivism. MSI supports the FDLE priority area of prevention and education through the provision of life skills training, vocational support, provision of housing, and the development of social skills. MSI provides structure and community that can reduce antisocial behavior, provides a network of peers who are also in recovery, supports educational training, provides structure to leisure time, and helps individuals to abstain from substances. The reduction of the risk factors helps to prevent future substance use and criminal activity.

Agency will provide a Case Manager to all residents to ensure they are linked to all necessary services to help maintain recovery from drugs or alcohol. The Case Manager will assist with transitional and rapid rehousing services for homeless individuals and families (rapid rehousing only) as well as vocational and employment services when indicated.

Award Number: 8C221
Recipient: Pinellas County Board of Commissioners
Award Title: C-8C221: WESTCARE - MUSTARD SEED INN
Award Period: 10/01/2022 - 09/30/2023

Problem Identification

This request is a continuation of project 2021-JAGC-PINE-3-3B-069, which was awarded for the grant period of 10/1/2021 - 9/30/2022.

The 2020 Pinellas County Homeless Leadership's Point in Time Report indicates a significant population of homeless individuals with substance use and mental health problems. Of the 754 individuals who indicated a reason for their current homeless episode, 41.1% indicated financial problems, 18% indicated family problems, 13.9% indicated medical problems, and 8.8% indicated alcohol or drug problems. Though the percentage was lowest for drug users, it may not be completely accurate due to the natural lack of stability for homeless people. In actuality, accidental drug deaths in Pinellas County have continued to increase – indicating that overall drug use has also increased, as has usage of public services. Individuals with addiction disorders who are homeless often have repeated encounters with the justice system (police, jail, court services, etc.), emergency medical transportation services, public hospital emergency room care, alcohol detoxification programs, and involuntary commitment services.

Individuals returning from institutional settings often lack safe, drug-free home environments to re-enter, which greatly increases the risk of recidivism and relapse. Mustard Seed Inn (MSI) supports the FDLE priority area of improving communication and collaboration by reducing the duplication of services between agencies for clients. MSI services promote prevention and education of life skills training, vocational support, provisional housing, and the development of social skills. Clients of MSI are provided structure and community which can reduce antisocial behavior by having a network of peers who are also in recovery. Clients are given support with educational training to help individuals abstain from further use, while also providing structure to their leisure time.

Pinellas County has no available funding that can be appropriated for this purpose. MSI provides transitional and rapid rehousing services for homeless individuals and families, as well as vocational and employment services when indicated. Case management is provided to all residents to ensure they are linked to all necessary services to help maintain recovery for drugs or alcohol to reduce relapse and criminal recidivism. MSI works closely with other WestCare programs to ensure easy access to workforce support and medication assisted treatment programs, as well as group counseling services.

Scope of Work

Upon funding, Pinellas County will begin sending clients to Mustard Seed Inn as referred from the courts or other agencies within the county. Our goal for MSI is to serve 150 unduplicated clients, with 60% of program participants exiting the program into permanent housing within 12 months of intake. Pinellas County residents will benefit from this project due to reduced homelessness and dependence on substances for daily living, thus reduced criminal activity. Pinellas County will use grant funds to support a WestCare Recovery Support /Case Manager who will provide services to Mustard Seed Inn Transitional Housing (MSI-TH) residents.

The subrecipient will assess the third tier subrecipient, via risk assessments, and provide a completed FDLE Monitoring Tool of the third tier subrecipient at the time of monitoring. Example documentation for services include, but are not limited to client activity logs, participant sign in sheets, billing documentation, travel vouchers, proof of payment etc. The WestCare Mustard Seed Inn is located at 2510 Central Avenue, St. Petersburg FL 33712. Payroll information, timesheets, cancelled checks, and invoices from MSI will be submitted to OCJG for all payment requests.

DEFINITIONS

Award agreement means a legal instrument of financial assistance between a Federal awarding agency or pass-through entity and a non-Federal entity that, consistent with 31 U.S.C. 6302, 6304, is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non-Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)); and not to acquire property or services for the Federal awarding agency or pass-through entity's direct benefit or use; and is distinguished from a cooperative agreement in that it does not provide for substantial involvement between the Federal awarding agency or pass-through entity and the non-Federal entity in carrying out the activity contemplated by the Federal award.

Disallowed costs means those charges to a Federal award that the Federal awarding agency or pass-through entity determines to be unallowable, in accordance with the applicable Federal statutes, regulations, or the terms and conditions of the Federal award.

Equipment means tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost which equals or exceeds the lesser of the capitalization level established by the non-Federal entity for financial statement purposes, or \$5,000. *See also §§200.12 Capital assets, 200.20 Computing devices, 200.48 General purpose equipment, 200.58 Information technology systems, 200.89 Special purpose equipment, and 200.94 Supplies.*

Fiscal Agent refers to the agency responsible for the administration of the PSN award programs. FDLE has been assigned as the certified Fiscal Agent for PSN awards.

Improper payment means any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements. Improper payment also includes any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit for applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

Micro-purchase means a purchase of supplies or services using simplified acquisition procedures, the aggregate amount of which does not exceed the micro-purchase threshold. The non-Federal entity uses such procedures in order to expedite the completion of its lowest-dollar small purchase transactions and minimize the associated administrative burden and cost. The micro-purchase threshold is set by the Federal Acquisition Regulation in 48 CFR Subpart 2.1 (Definitions). It is \$10,000 except as otherwise discussed in Subpart 2.1 of that regulation, but this threshold is periodically adjusted for inflation.

Modified Total Direct Cost (MTDC) means all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first \$25,000 of each award (regardless of the period of performance of the awards under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each award in excess of \$25,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with the approval of the cognizant agency for indirect costs.

Non-Federal entity is a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Non-federal pass-through entity is a non-Federal entity that provides an award to a recipient to carry out part of a Federal program; the Florida Department of Law Enforcement (FDLE) is the non-federal pass-through entity for this agreement, also referred to as the State Administering Agency (SAA).

Performance goal means a target level of performance expressed as a tangible, measurable objective, against which actual achievement can be compared, including a goal expressed as a quantitative standard, value, or rate. In some instances (e.g., discretionary research awards), this may be limited to the requirement to submit technical performance reports (to be evaluated in accordance with agency policy).

Period of performance means the time during which the non-Federal entity may incur new obligations to carry out the work authorized under the Federal award. The Federal awarding agency or pass-through entity must include start and end dates of the period of performance in the Federal award (see §§200.211 Information contained in a Federal award paragraph (b)(5) and 200.332 Requirements for pass-through entities, paragraph (a)(1)(iv)).

Protected Personally Identifiable Information (PII) means an individual's first name or first initial and last name in combination with any one or more of types of information, including, but not limited to social security numbers; passport numbers; credit card numbers; clearances; bank numbers; biometrics; date and place of birth; mother's maiden name;

criminal, medical, and financial records; and educational transcripts. This does not include PII that is required by law to be disclosed. (See also § 200.79 Personally Identifiable Information (PII)).

Furthermore, the obligation of the State of Florida to reimburse recipients for incurred costs is subject to available federal funds.

2.0 Commencement of Project - If a project is not operational within 60 days of the original start date of the award period or the date of award activation (whichever is later), the recipient must report by letter to the Department the steps taken to initiate the project, the reasons for delay, and the expected start date.

If a project is not operational within 90 days of the original start date of the award period or the date of award activation (whichever is later), the recipient must submit a second statement to the Department explaining the implementation delay.

Upon receipt of the ninety (90) day letter, the Department shall determine if the reason for delay is justified or shall, at its discretion, unilaterally terminate this agreement and re-obligate award funds to other Department approved projects. The Department, where warranted by extenuating circumstances, may extend the starting date of the project past the ninety (90) day period, but only by formal written adjustment to this agreement.

3.0 Supplanting - The recipient agrees that funds received under this award will not be used to supplant state or local funds, but will be used to increase the amounts of such funds that would, in the absence of federal funds, be made available for award activities.

Performance achievements and performance questionnaires that are not complete, accurate, and timely may result in sanctions, as specified in Section IV, Award Management and Reporting Requirements.
- 5.0 Financial Consequences for Failure to Perform** - In accordance with Section 215.971, Florida Statutes, payments for state and federal financial assistance must be directly related to the scope of work and meet the minimum level of performance for successful completion. Financial consequences may include but are not limited to withholding payments or reimbursement until the deficiency is resolved, tendering only partial payment/reimbursement, imposition of other financial consequences according to the Standard Conditions as applicable, and/or termination of contract and requisition of goods or services from an alternate source. Any payment made in reliance on recipient's evidence of performance, which evidence is subsequently determined to be erroneous, will be immediately due to the Department as a refund.

Amendments are also required when there will be a transfer of 10% or more of the total budget between budget categories, or there is an indirect cost rate category change.

Recipients may transfer up to 10% of the total budget between current, approved budget categories without prior approval as long as the funds are transferred to an existing line item.

Under no circumstances can transfers of funds increase the total budgeted award.

Retroactive (after-the-fact) approval of project adjustments or items not currently in the approved award will only be considered under extenuating circumstances. Recipients who incur costs prior to approval of requested adjustments do so at the risk of the items being ineligible for reimbursement under the award.

All requests for changes, including requests for project period extensions, must be submitted in the electronic grant management system no later than thirty (30) days prior to award expiration date.

- 7.0 Financial Expenditures and Reporting** - The recipient shall close the expense reporting period either on a Monthly or Quarterly basis. All Project Expenditure Reports shall be submitted in sufficient detail for proper pre-audit and post-audit.

All reports must relate financial data to performance accomplishments.

An expenditure report is not required when no reimbursement is being requested; however, recipients should close the associated reporting period in the electronic grant management system.

Before the "final" Payment Request will be processed, the recipient must submit to the Department all outstanding Performance Achievements and must have satisfied all withholding, special, and monitoring conditions. Failure to comply with the above provisions shall result in forfeiture of reimbursement.

The recipient shall submit a PGI Earnings and Expenditures form in the electronic grant management system as soon as PGI is earned or expended. Prior to expending funds, the recipient shall submit a PGI Spending Request form for OCJG approval. All PGI expenditures must directly relate to the project being funded and must be allowable under the federal award.

Any PGI remaining unspent after the end of the federal award period must be refunded to OCJG for transmittal to the Bureau of Justice Assistance.

- 9.0 Recipient Integrity and Performance Matters** - Requirement to report information on certain civil, criminal, and administrative proceedings to OCJG, SAM and FAPIIS.

The recipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management ("SAM"), to the designated federal integrity and performance system ("FAPIIS").

The Department reserves the right to unilaterally terminate this agreement if the recipient or contractor refuses to allow public access to all documents, papers, letters, or other materials subject to provisions of s. 119, F.S., unless specifically exempted and/or made confidential by operation of s. 119, F.S., and made or received by the recipient or its contractor in conjunction with this agreement.

The recipient will give the awarding agency or the General Accounting Office, through any authorized representative, access to and the right to examine all paper or electronic records related to the financial assistance.

- 2.0 Monitoring** - The recipient agrees to comply with FDLE's award monitoring guidelines, protocols, and procedures; and to cooperate with FDLE on all award monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits. The recipient agrees to provide FDLE all documentation necessary to complete monitoring of the award. Further, the recipient agrees to abide by reasonable deadlines set by FDLE for providing requested documents. Failure to cooperate with award monitoring activities may result in sanctions affecting the recipient's award, including, but not limited to: withholding and/or other restrictions on the recipient's access to funds, referral to the Office of the Inspector General for audit review, designation of the recipient as a FDLE High Risk grantee, or termination of award(s).

- 3.0 Property Management** - The recipient shall establish and administer a system to protect, preserve, use, maintain and dispose of any property furnished to it by the Department or purchased pursuant to this agreement according to federal property management standards set forth in the DOJ Grants Financial Guide, 28 C.F.R. § 66, 2 C.F.R. §200.313. This obligation continues as long as the recipient retains the property, notwithstanding expiration of this

agreement.

- 4.0 Award Closeout** - Award Closeout will be initiated by the Department after the final payment request has been processed. The final payment request must be submitted within sixty (60) days of the end date of the award. All performance achievements and performance questionnaires must be completed before the award can be closed.
- 5.0 High Risk Recipients** - If a recipient is designated "high risk" by a federal award-making agency, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to FDLE's OCJG. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.
- 6.0 Imposition of Additional Requirements** - The recipient agrees to comply with any additional requirements that may be imposed by OCJG during the period of performance for this award if the recipient is designated as "high risk" for purposes of the DOJ high-risk list.
- 7.0 Retention of Records** - The recipient shall maintain all records and documents for a minimum of five (5) years from the date of the final financial statement and be available for audit and public disclosure upon request of duly authorized persons. The recipient shall proceed diligently with the performance of this agreement according to the Department's decision. If the recipient appeals the Department's decision, the appeal also shall be made in writing within twenty-one (21) calendar days to the Department's clerk (agency clerk). The recipient's right to appeal the Department's decision is contained in § 120, F.S., and in procedures set forth in Rule 28-106.104, Florida Administrative Code. Failure to appeal within this time frame constitutes a waiver of proceedings under Chapter 120, F.S.
- 9.0 Failure to Address Audit Issues** - The recipient understands and agrees that FDLE's OCJG may withhold award funds, or may impose award conditions or other related requirements, if (as determined by OCJG) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the 2 C.F.R. § 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews.
- 10.0 Single Annual Audit** - Recipients that expend \$750,000 or more in a year in total federal award funding shall have a single audit or program-specific audit conducted for that year. The audit shall be performed in accordance with the OMB 2 C.F.R. § 200 Subpart F – Audit Requirements and other applicable federal law. The contract for this agreement shall be identified in the Schedule of Federal Financial Assistance in the subject audit. The contract shall be identified as federal funds passed through the Florida Department of Law Enforcement and include the contract number, CFDA number, award amount, contract period, funds received and disbursed. When applicable, the recipient shall submit an annual financial audit that meets the requirements of 2 C.F.R. § 200 Subpart F, "Audit Requirements" s. 215.97, F.S., "Florida Single Audit Act" and Rules of the Auditor General, Chapter 10.550, and Chapter 10.650, "Local Governmental Entity Audits" and "Florida Single Audit Act Audits Nonprofit and For-Profit Organizations."

Submissions must include required elements described in Appendix X to 2 C.F.R. § 200 on the specified Data Collection Form (Form SF-SAC).

Records shall be made available upon request for a period of five (5) years from the date the audit report is issued, unless extended in writing by the Department.

Recipients that expend less than \$750,000 in federal awards during a fiscal year are exempt from the Single Audit Act audit requirements for that fiscal year. In this case, written notification, in the form of the "Certification of Audit Exemption" form, shall be provided to the Department by the Chief Financial Officer, or designee, that the recipient is exempt. This notice shall be provided to the Department no later than March 1 following the end of the fiscal year.

- 4.0 Unallowable Costs** - Payments made for costs determined to be unallowable by either the Federal awarding agency, or the Department, either as direct or indirect costs, must be refunded (including interest) to FDLE and the Federal Government in accordance with instructions that determined the costs are unallowable unless state or Federal statute or regulation directs otherwise. See also 2 C.F.R. §§ 200.300-309.
- 5.0 Indirect Cost Rate** - A recipient that is eligible to use the “de minimis” indirect cost rate described in 2 C.F.R. § 200.414(f), and elects to do so, must advise OCJG in writing of both its eligibility and its election, and must comply with all associated requirements in the 2 C.F.R. § 200 and Appendix VII.
- 6.0 Sole Source** - If the project requires a non-competitive purchase from a sole source, the recipient must complete the Sole Source Justification for Services and Equipment Form and submit to OCJG upon application for pre-approval. If the recipient is a state agency and the cost meets or exceeds \$250,000, the recipient must also receive approval from the Florida Department of Management Services (DMS) (s. 287.057(5), F.S.). Additional details on the sole source requirement can be found at 2 C.F.R. § 200 and the DOJ Grants Financial Guide.
- 7.0 Personal Services** - Recipients may use award funds for eligible personal services including salaries, wages, and fringe benefits, including overtime in accordance with the DOJ Grants Financial Guide Section 3.9 - Compensation for Personal Services, consistent with the principles set out in 2 C.F.R. § 200, Subpart E and those permitted in the federal program’s authorizing legislation. Recipient employees should be compensated with overtime payments for work performed in excess of the established work week and in accordance with the recipient’s written compensation and pay plan.

Documentation - Charges for salaries, wages, and fringe benefits must be supported by a system of internal controls providing reasonable assurance that charges are accurate, allowable, and properly allocated. Documentation supporting charges must be incorporated into the official records of the organization.

Charges made to the Personnel Budget Category must reasonably reflect the total time and activity for which the employee is compensated by the organization and cover both federally funded and all other activities. The records may include the use of subsidiary records as defined in the organization’s written policies. Where award recipients work on multiple award programs or cost activities, documentation must support a reasonable allocation or distribution of costs among specific activities or cost objectives.

state laws, orders, circulars, or regulations. The recipient must pass-through all requirements and conditions applicable to the federal award to any subcontract. The term “contractor” is used rather than the term “vendor” and means an entity that receives a contract as defined in 2 C.F.R. § 200.22, the nature of the contractual relationship determines the type of agreement.

Approval of Consultant Contracts Compensation for individual consultant services must be reasonable and consistent with that paid for similar services in the marketplace. The Federal awarding agency and pass-through entity must review and approve in writing all consultant contracts prior to employment of a consultant when the individual compensation rate exceeds \$650 (excluding travel and subsistence costs) per eight-hour day, or \$81.25 per hour. A detailed justification must be submitted to and approved by FDLE, who will coordinate written approval of the Federal awarding agency, prior to recipient obligation or expenditures of such funds. Approval shall be based upon the contract's compliance with requirements found in the Financial Guide Section 3.6 Consultant Rates, 28 C.F.R. § 66, and applicable state statutes. The Department's approval of the recipient agreement does not constitute approval of individual consultant contracts or rates. If consultants are hired through a competitive bidding process (not sole source), the \$650 threshold does not apply.

FFATA Reporting Requirements - Recipients that enter into awards of \$30,000 or more should review the Federal Funding Accountability and Transparency Act of 2006 (FFATA), website for additional reporting requirements at <https://ojp.gov/funding/Explore/FFATA.htm>.

The recipient understands and agrees that no awarded funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography. In doing so the recipient agrees that these restrictions will not limit the use of awarded funds necessary for any federal, state, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecutions, or adjudication activities.

State IT Point of Contact - The recipient must ensure that the State IT Point of Contact receives written notification regarding any information technology project funded by this award during the obligation and expenditures period. Recipients interested in developing a public safety broadband network in the 700 MHz band in their jurisdictions must adhere to the technical standards set forth in the FCC Waiver Order, or any succeeding FCC orders, rules, or regulations pertaining to broadband operations in the 700 MHz public safety band. The recipient shall also ensure projects support the Statewide Communication Interoperability Plan (SCIP) and are fully coordinated with the full-time Statewide Interoperability Coordinator (SWIC). If any future regulatory requirement (from the FCC or other governmental entity) results in a material technical or financial change in the project, the recipient should submit associated documentation, and other material, as applicable, for review by the SWIC to ensure coordination. Recipients must provide a listing of all communications equipment purchased with award funding (plus the quantity purchased of each item) to FDLE once items are procured during any periodic programmatic progress reports.

GRANT TITLE: Edward Byrne Memorial Justice Assistance Grant - Countywide

This solicitation is either fully or partially grant-funded. In addition to other terms and conditions required by Pinellas County and the applicable federal agency, all contracts awarded to the qualified bidder are subject to the following provisions, as applicable to the services provided.

Equal Employment Opportunity: Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

If this contract meets the definition of a “federally assisted construction contract”, during the performance of this contract, the Contractor agrees as follows:

- (1) The CONTRACTOR will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- (2) The CONTRACTOR will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The CONTRACTOR will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant with another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not

otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

- (4) The CONTRACTOR will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (5) The CONTRACTOR will comply with all provisions of Executive Order 11246 of September 24, 1965, and with the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The CONTRACTOR will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (7) In the event of the CONTRACTOR's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the CONTRACTOR may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (8) The CONTRACTOR will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The CONTRACTOR will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

Davis-Bacon Act as amended (40 U.S.C. 3141-3148): When required by federal program legislation, for all prime construction contracts awarded in excess of \$2,000, Contractors are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, Contractors must be required to pay wages not less than once a week. If the applicable grant award contains Davis-Bacon provisions, the County will place a copy of

the current prevailing wage determination issued by the Department of Labor in the solicitation document. The decision to award a contract shall be conditioned upon the acceptance of the wage determination [Appendix II to 2 CFR Part 200].

Copeland Anti Kick Back Act: If Davis-Bacon is applicable, CONTRACTOR shall also comply with all the requirements of 29 CFR Part 3 which are incorporated by reference to this contract. Contractors are prohibited from inducing by any means any person employed in the construction, completion or repair of public work to give up any part of the compensation to which he or she is otherwise entitled [Appendix II to 2 CFR Part 200].

Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence [Appendix II to 2 CFR Part 200].

Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency [Appendix II to 2 CFR Part 200].

Clean Air Act (42 U.S.C. 7401–7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251–1387): As amended—The CONTRACTOR agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA) [Appendix II to 2 CFR Part 200].

Debarment and Suspension (Executive Orders 12549 and 12689): A contract award (see 2 CFR 180.220) will not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and

Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. If applicable, the CONTRACTOR must verify that none of their subcontractors (for contracts expected to equal or exceed \$25,000), appear on the federal government’s Excluded Parties List. The Excluded Parties List is accessible at <https://uscontractorregistration.com/> [Appendix II to 2 CFR Part 200].
