**6A1. Case CW 18-13 – Pinellas County**

---

**SUMMARY**

From: Residential Low Medium  
To: Public/Semi-Public  
Area: 1.9 acres m.o.l.  
Location: 10380 131<sup>st</sup> Street North

This proposed amendment is submitted by unincorporated Pinellas County and seeks to amend a property totaling approximately 1.9 acres from Residential Low Medium (used to depict areas that are primarily well-suited for suburban, low density or moderately dense residential uses at a maximum density of 10 dwelling units per acre) to Public/Semi-Public (intended to recognize institutional and transportation/utility uses that serve the community or region, especially larger facilities having acreage exceeding the thresholds established in other plan categories, and which are consistent with the need, character, and scale of such uses relative to the surrounding uses, transportation facilities, and natural resource features). This amendment qualifies as a Type A subthreshold amendment because it is less than five acres in size and meets the balancing criteria.

The subject property's existing use is a single family home. An assisted living facility is proposed for the site. If approved, this amendment will be consistent with Pinellas County's Comprehensive Plan.

**FINDINGS**

Staff submits the following findings in support of the recommendation for approval:

- A. The Public/Semi-Public category recognizes the proposed use of the site, and is consistent with the criteria for utilization of this category.
- B. The proposed amendment either does not involve, or will not significantly impact, the remaining relevant countywide considerations.

Please see accompanying attachments and documents in explanation and support of these findings.
