Subject * Causeway Bridge

Message * I am Gordon Anderson and President of the Board at Concord Arms on Gary Cr. To say the least, we are concerned about the size of this bridge and feel the impact will destroy the whole use and significance of the Pinellas Trail. This is the last of the waterfront jewels for everyday use by all our citizens. This is a total waste of money not matter where it's coming from. The noise impact, the lost of our seniors being able to walk the trail, and what it means to Dunedin are irreversible. Please do everything in you power to minimize this disaster.

Subject * causeway bridge

Message * I am once again urging you to do the right thing and keep the dunedin causeway as much as possible the way it is, very pedestrian friendly and easy to enjoy. The thought of a huge bridge to ruin all aesthetics and be an eyesore is revolting to all residents and visitors alike. Please do not be the ones whom will be remembered
