Clearwater, Florida 33756

Subject: Joe's Creek Model Update, Alternatives Analysis and Feasibility Study  
Project No. Q196  
Agreement No. 21CF0003357

Dear Ms. Shannon:

Enclosed are two originals of the agreement between the Southwest Florida Water Management District (District) and the Pinellas County for the subject project. Please have all originals signed and dated, then return them to my attention at our Brooksville office. One fully executed original will be sent to you for your files after the District's executive director or designee has signed the agreements. Please keep in mind that the District's performance and payment pursuant to this agreement is contingent upon the District's Governing Board appropriating funds in its annual budget for the project, in each fiscal year of this agreement. Appropriated funds are available after October 1<sup>st</sup>, each year.

Please contact the procurement section if you are unable to have the referenced agreement signed and returned to the District within 90 calendar days from the date on this letter. Delayed execution of this agreement may affect the ranking of future cooperative funding requests.

If you have any questions; please contact me at the Brooksville office, extension 4474.

Sincerely,

Mary Margaret C. Hull, PMP, APR  
Lead Project Manager  
Project Management Office
