(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This Joint Project Agreement between Pinellas County and the City of Belleair Bluffs establishes the coordination of roadway improvements along Duncan Drive with the relocation and replacement of County-owned potable water utilities as part of a single construction project. The City is responsible for bidding and constructing the roadway project, while the County funds, designs, and ultimately owns and maintains the utility work, with an estimated County cost of up to \$1.5 million.*

Funding for this agreement is available under Overbrook Water Main Relocation, City of Belleair Bluffs Joint Project Agreement project 006178A, included in the FY26-FY31 Capital Improvement Plan, funded by the Sewer Renewal and Replacement Fund and the Water Renewal and Replacement Fund in the amount of \$2,542,000.00.
