Honorable Chairman and Members of the Board of County Commissioners,

The Pinellas County EMS Advisory Council supports recent proposed revisions to the EMS Rules & Regulations.

The EMS Management Committee, which is a subcommittee of the EMS Advisory Council, met with staff to review and make a recommendation on the proposed revisions. At the full EMS Advisory Council meeting on December 20, 2019 the EMS Management Committee Chair briefed the full council on the revisions and recommended support.

The EMS Advisory Council views these revisions as measures that will further improve the quality of emergency and non-emergency medical care for the citizens and visitors of Pinellas County.

Please contact me at 727-341-3666 if you have any questions or request additional information from your EMS Advisory Council.

Respectfully,

Dr. Eric Carver, Chair
Pinellas County EMS Advisory Council
