Description & Comments	
(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)	
Award recommendation to Ardurra Group, Inc. in the amount of \$1,641,133.06.	
This contract will include design efforts 60%, 90%, and 100% design documents, bid services, and construction phase assistance.	
Project schedule found on page 31 of the agreement is 600 days. The staff report originally listed 445 days.	
Funding is available under Project 002941A South Cross Bayou High Service Pump Improvements in the amount of \$14,550,000, included in the Capital Improvement Plan, funded by the Sewer Renewal & Replacement Fund.	
The design budget is \$550,000 from FY24-FY26. <i>Based on the design contract, and current construction estimates, the total project allocation, will need to be increased during the FY25 budget development process.</i>
