Good Morning, Glenn.....

Thank you for your corrections.

The *Times* acknowledged your correction request for the "Q" Deletion, but did not follow through on the proof we just received.

These are the same ones I have ready to submit as well as a correction to **Item 3, Line 3**, at the end where the text should read: "....Residential to P/SP, Public/Semi-Public....."

The " / " is missing for "P/SP".

I will wait for response from Gordon Beardslee before submitting these corrections to the *Times*.

For item 4, please remove the 'Q' in the heading. As a future land use map case only it is no longer quasi-judicial. It should read Z/LU-18-9-15 (Final Adoption).

For item 1, there is an extra space on the fourth line between the words 'from' and 'Industrial'

The PSP without the / is correct. That is how it is listed in the Land Development Code: PSP, Public/Semi-Public.

Good Morning, Glenn.....

Thank you for your corrections.

The *Times* acknowledged your correction request for the "Q" Deletion, but did not follow through on the proof we just received.

These are the same ones I have ready to submit as well as a correction to **Item 3, Line 3**, at the end where the text should read: "...Residential to P/SP, Public/Semi-Public...."

The " / " is missing for "P/SP".

I will wait for response from Gordon Beardslee before submitting these corrections to the *Times*.

For item 4, please remove the 'Q' in the heading. As a future land use map case only it is no longer quasi-judicial. It should read Z/LU-18-9-15 (Final Adoption).

For item 1, there is an extra space on the fourth line between the words 'from' and 'Industrial'

An Ordinance amending the Future Land Use Map of Pinellas County, Florida by changing the Land Use designation of approximately 11.8 acres located at the northern terminus of 49th Street North, being west of the western terminus of 164th Avenue North in the unincorporated area of Largo, Located in Section 33, Township 29, Range 16 from Residential Low Medium to Residential Low, providing for other modifications that may arise from review of this Ordinance at the public hearing and/or with other responsible parties and providing an effective date.

Jim,

For item 4 (Q Z/LU-18-9-15) please remove the Resolution component. The resolution (No. 15-106) was already adopted at the October 20 BCC meeting. This meeting should only apply to the Ordinance. So, it should simply be:

An Ordinance amending the Future Land Use Map of Pinellas County, Florida by changing the Land Use designation of approximately 11.8 acres located at the northern terminus of 49th Street North, being west of the western terminus of 164th Avenue North in the unincorporated area of Largo, Located in Section 33, Township 29, Range 16 from Residential Low Medium to Residential Low, providing for other modifications that may arise from review of this Ordinance at the public hearing and/or with other responsible parties and providing an effective date.

Thank you,
