Good Morning, Deirdre.....

Please advise on the following:

The **Times** Advertisement **289089** was not published due to the public hearing item being deferred to another date and time.

The authorizing department has indicated that it is ready to advertise the hearing on **Friday, 27 May 2016**.

Can we still use ad **289089** by making a date and time **correction only**. There should be no other changes per the department.

Thank You for your input.
