Message Thank You Commissioner Scott and Eggers for voting NO to increasing Taxes in Pinellas County!! Shame on the rest of you on wasting our taxpayers money on foolish pet projects like sports stadiums ridiculous. We have people suffering here in Pinellas County. We have homeless people cannot afford to stay in their homes . we have people families cannot afford to put food on their table to feed their families . We have young people who are suffering and mental illness is rampant amongst our society young and old. We have seniors struggling to stay in their homes because of the high cost of living.. home and health insurance costs astronomical! Gas prices high ! I want to know where every penny is spent. We also have foster children and kids who are struggling to make it . Young families unable to live the American dream.. No we don't approve of your foolish spending .. enough is enough!!! The majority who vote for this increase to me Simply don't care about the people they serve !

Dear Commissioners,

This missive serves as a as a reminder, since some of you are self aggrandizing dolts, who take glee in spending our money in a feckless, and amoral fashion.

You folks need to pare down your budget.

This is is true especially where mass transit, DEI initiatives, and "affordable housing" is concerned.

The commission, and Pinellas County's government, is responsible in large part of destroying the affordable housing we had here for years.

By the way: WE DO NOT WANT THE COUNTY TO PAY FOR A !@#\$ing stadium in the Burg...a place no (still) goes to see games unless the Yankees or Bahstan Red Sox are in town.

Please act like responsible stewards of our money. You folks screwed us in 2020 with a tax increase, so stop acting like drunken bar flies with a handful of bills; it's the people's money, not yours and your cronies business buddies.

Please and Thank you.

Sincerely,

Daniel G. Amend III

Subject Budget meeting Sept 19, 2023

Message This is to advise the board that the increase of taxes on proposal for the upcoming year at close to 14% over last year with another just under for the following year of almost 4% is excessive.
Taking into account the current economic situation and that it is already difficult for people to keep up with current expenses .
I would hope that these figures will be reviewed and brought down to a more reasonable number.
We all have to watch our budgets in order to survive.

Topic Resolutions to adopt final millage rates & budgets for fiscal year 2024

BCC Agenda Date 9-19-2023

Your Stand on the Issue Oppose

Comments
The Pinellas 2024 Budget Proposal is an increase of \$400,000,000. The county admin increase is \$235,000,000. That's a 58.75 per cent increase. The county residents don't have the money for this exorbitant tax increase. We are tapped out with the tremendous inflation increase for food, gas, energy and our home insurance and car insurance bills. We are living pay check to pay check. Please shrink the government. Thank you.

Subject vote NO on new taxes!

Message Hello, Please do not raise taxes on Pinellas County residents. In the second budget meeting Tuesday, please vote "no" on the proposed budget. Citizens are already facing rising inflation on groceries, high prices on gas, car insurance, home insurance and rent and a tax increase will only hurt residents. In addition, our community has a significant elderly population, many who are struggling on fixed incomes. Please consider revisiting the budget to make changes, and voting "no" on this budget.
